Thinking Translation: Perspectives from Within and Without Rebecca Hyde Parker, Karla Guadarrama, 2008 This book is a collection of selected articles based on talks given by established academics and translators as well as younger researchers at the third postgraduate symposium organized by the School of Literature and Creative Writing at the University of East Anglia UK The objective of the third postgraduate translation symposium at the University of East Anglia was to explore the current relevance of theory to the practice of translation This volume builds on the key ideas and discussion that arose from the symposium bringing together amongst others the current debates concerning the complex relationship between theory and practice in the field of translation studies taking into consideration a wide range of perspectives both modern and traditional A broad cross section of research exploring the present relevance of translation theory to practice is presented by many of the individual contributors to this volume These papers provide both current theoretical insights into the relevance of theory to translation and also in some examples offer first hand experiences of applying appropriate strategies and methods to the practice and description of translation

L'unico scrittore buono è quello morto Marco Rossari, 2012-01-18 T00:00:00+01:00 Cosa accadrebbe se a James Joyce venisse rifiutato ogni libro E qualora Tolstoj fosse ospitato in radio a Roma per ascoltare il parere di Ilaria da Foggia come reagirebbe E se William Shakespeare finisse alla sbarra con l'accusa di plagio Sono solo alcuni dei ritratti paradossali che questo libro ha in serbo per il lettore Con una prosa scanzonata L'unico scrittore buono quello morto illumina splendori e miserie del mondo letterario senza risparmiare i mostri sacri Autori e lettori editori e traduttori finiscono in un frullatore di racconti e storielle che miscela una metafisica Praga ribattezzata Kafkania in cui i bordelli si chiamano Il Castello La Condanna o La Colonia Penale con una San Francisco iperletteraria dove vagano i sosia dei beat uno scrittore beone alle prese con una lettrice assatanata e un poetastro in gara nel poetry slam più sgangherato della storia Una parodia esilarante per aspiranti scrittori e lettori sgamati che snocciola un indimenticabile carrellata di personaggi afasici perduti smarriti nel tragicomico labirinto delle lettere Un libro per tutti quelli che vogliono scrivere e per chi questi ultimi li farebbe fuori volentieri ma anche un grande atto d amore per la forza della scrittura

Watching Pages, Reading Pictures Daniela De Pau, Georgina Torello, 2008-12-18 Italian cinema is internationally well known for the ground breaking experience of Neo Realism comedy Italian Style Spaghetti Westerns and the horror movies of the seventies However what is rather unfamiliar to wider audiences is Italian cinema's crucial and enduring affair with literature In fact since the very beginning literature has deeply influenced how Italian cinema has defined itself and grown This book provides an empirical approach to this complex and fruitful relationship The aim is to

present discussions dealing with significant Italian film adaptations from literary materials which greatly exemplify the variety of styles view points and attitudes produced by such an alliance throughout the different periods Among the adaptations discussed are those that have followed trends and critical debates making them at times rather problematic

The Social Dynamics of Pronominal Systems Paul Bouissac,2019-07-15 Personal pronouns have a special status in languages As indexical tools they are the means by which languages and persons intimately interface with each other within a particular social structure Pronouns involve more than mere grammatical functions in live communication acts They variously signal the gender of speakers as parts of utterances or in their anaphoric roles They also prominently indicate with a range of degrees the kind of social relationships that hold between speakers from intimacy to indifference from dominance to submission and from solidarity to hostility Languages greatly vary in the number of pronouns and other address terms they offer to their users with a distinct range of social values Children learn their relative position in their family and in their society through the correct use of pronouns When languages come into contact because of population migrations or through the process of translation pronouns are the most sensitive zone of tension both psychologically and politically This volume endeavours to probe the comparative pragmatics of pronominal systems as social processes in a representative set from different language families and cultural areas
