Lost World of the Himalayas, The Journals of Explorer M.G. Hawking M.G. Hawking, 2025-08-23 Composed from the journals of explorer M G Hawking's five years in remote areas of the Himalayas this book transports the reader into a legendary lost world a journey that leads to the discovery of the most refined and powerful knowledge possessed by the human race Many years ago on an extended trek into an inner region of the vast wilderness of the Great Himalayan Range Hawking chanced on an unexpected find In a majestic valley surrounded by towering ice peaks he encountered a beautiful small village In that community called Siddhalaya by its residents he had the privilege of meeting a number of truly extraordinary men and women This encounter marked the beginning of sixty two months Hawking spent in the Himalayas during which time he kept detailed records of his adventures experiences and conversations with those highly enlightened individuals Our team at Wisdom Masters Press in association with Hawking has worked diligently to compose a series of books based on his journals and field notes This was a
