The Problem with Pajamas Lauren Stohler, 2022-02-22 From the author/illustrator of *The Best Worst Poet Ever* comes a delightfully zany and hilarious picture book about a young girl's campaign against uncomfortable pajamas. Pajamas are the worst. They zap you. They trap you. They scritch and they scratch you. And then when you think it can't get any worse they make your feet sweat. Cody has had enough of wrinkly socks, itchy sweaters, and too tight pants, so she's definitely not going to wear PJs to bed. But Dad has a soft snuggly plan that just might help Cody realize some pajamas aren't so awful after all.

Trauma Through a Child's Eyes Peter A. Levine, Ph.D., Maggie Kline, 2010-05-18 What parents, educators, and health professionals can do to recognize, prevent, and heal childhood trauma from infancy through adolescence by the author of *Waking the Tiger*. Trauma can result not only from catastrophic events such as abuse, violence, or loss of loved ones, but from natural disasters and everyday incidents like auto accidents, medical procedures, divorce, or even falling off a bicycle. At the core of this book is the understanding of how trauma is imprinted on the body, brain, and spirit, often resulting in anxiety, nightmares, depression, physical illnesses, addictions, hyperactivity, and aggression. Rich with case studies and hands-on activities, *Trauma Through a Child's Eyes* gives insight into children's innate ability to rebound with the appropriate support and provides their caregivers with tools to overcome and prevent trauma. *Trauma Through A Child's Eyes* creates its own mold in a way that everyone concerned with the health and happiness of children will be grateful for. Why Won't You Sleep?! Macall Gordon, Kim West, MSW, 2024-11-19 Have you tried everything to get your child to sleep and nothing has worked? You are not alone. Researcher and sleep coach Macall Gordon and the Sleep Lady Kim West offer a tried and true approach to shifting sleep behavior that actually works, even when nothing else has. A tsunami of modern sleep training methods promise easy and quick results, and for many parents and children, these methods work as intended. However, there is a large, exhausted group of parents whose children have sleep problems that are not responsive to those crying-based methods. These children tend to be more reactive, persistent, and perceptive than their peers. And when it comes to sleep, little ones with this kind of temperament put up a much, much bigger fight. They need a different approach. That's where *Why Won't You Sleep?* comes in. Based on extensive research and proven methods used with thousands of families just like yours, this guide gives you strategies tailored to your child's unique temperament. Readers will learn why popular sleep training techniques don't work for some children, the strengths and challenges of your child's temperament traits, simple changes to your child's routine and environment that set you up for success, how to create a plan for your child using the time-tested approach that doesn't

require leaving anyone alone to cry Tips tricks and workarounds for bedtime shenanigans night wakings co sleeping and more How to confidently push past plateaus and setbacks Along the way Gordon and West provide much needed encouragement validation and insights to bolster parents self confidence and resilience Why Won t You Sleep gives you concrete answers to why sleep has been more challenging for these kiddos and offers parents a much needed dose of I ve got this
