Time A Place

John Charles Wright

Time A Place:

Geography of Time, Place, Movement and Networks, Volume 1 Stanley D. Brunn, 2024-05-23 This book describes the journey concept relating to cultural and social history of Western and non Western worlds By including time journeys negotiated by women racial minorities artists and scholars from the humanities and social natural and physical scientists the book explores time space journeys in personal professional and cultural life and place experiences The sixteen chapters in this book offer new insights into time place worlds in different contexts including history culture astronomy and science fiction The concept is one where science and art worlds intersect in the emerging worlds of the unknown With contributors from different disciplines and countries expanding our understanding of this concept this volume provides a valuable source for disciplinary and interdisciplinary classes and seminars exploring these scholarly frontiers *Geography of Time, Place, Movement and Networks, Volume 5* Stanley D. Brunn, 2024-05-27 This book investigates both early as well as recent accounts of journeys by women and families in African Asian East European North and Latin American contexts It discusses how places place settings and transport routes whether by land sea or air were and remain important in the impacts these newcomers have on states and regions The contributions to this book provide insight in laws and regulations related to women s and refugees rights They highlight the importance of place and location in defining rights and implementing reforms such as the importance of the politics and the state in identifying rights in global contexts of refugee resettlement cross border employment security and reshaping human institutions as well as the changing legal landscape related to for instance women participating in the Olympic Games and in national sports The book also touches on the worlds of family landscapes mapping family trees family cemeteries and redefining immigrant city mixes As such the book offers readers to explore past present and future issues faced by women and families regardless of place or country **Geography of Time, Place, Movement and Networks, Volume 2** Stanley D. Brunn, 2024-05-23 This book explores journeys in a time context with a focus on places place meanings and landscapes Whether the journey relates to ancient or modern trails roads or railroads or a historical or contemporary pilgrimage or a tourist venture in social contexts the book addresses the importance of places and environmental settings whereby time itself is described and defined in multiple contexts The chapters discuss among others archaeological and pre history settings tourism settings and heritage events as well as regional and transnational migration routes and those used by historical nomadic cultures and postmodern nomads Some time and place journeys are fluid and dynamic and re interpreted while for others there is much sameness in the visible landscapes Retaining the past and reconstructing the past are both journeys That sameness concept is also applied to cultural and political worlds where there is little progress or reform to address social welfare and empowerment This book opens the door for exploring shallow and deep journeys by those in the humanities and social sciences at local national and regional scales *Geography of Time, Place, Movement and Networks, Volume 4* Stanley D. Brunn, 2024-05-23 This book provides insight

into the importance of place and place settings in personal journeys It explores the worlds of time journeys in different contexts daily work community livelihoods rural urban migration disease outbreaks and controls cruise ship tours and isolated frontier settings Besides this the book also addresses the networks connecting rural and urban places transcontinental highways and railroads rural urban migration and other innovative journeys such as gas station road maps and body maps The chapters also discuss how eradicating diseases are time place journeys as is moving from a distant isolated frontier to a metropolis As such this book is a must read for those interested in exploring the intersections in and between the humanities and social policy sciences
