Trusting God to the Promised Land Carl Barrett, 2025-12-04 Are today s times of uncertainty causing stress beyond all measures Are the worries and anxieties of today consuming life to its breaking point With the constant battles daily confronting all people how should these ongoing barriers be combatted Readers must ask if they are seeking more inner

peace and strength to cope with the unknown if they truly desire more confidence and enthusiasm in their Christian walk Bottom line are they yearning to grow and mature in their spiritual life to help them overcome all of life s tribulations on this side of heaven If this is their genuine search as a follower of Jesus Christ one crucial component may be missing in life which will help to stay focused and grounded on the path to the future kingdom Trusting God This book will challenge followers of Christ to ensure that their complete trust in God is reflected in daily life If believers have genuinely been saved the evidence of their trust and obedience to biblical truths should be displayed especially during the most intense trials This journey will help Christians become more accountable in their walk with the Lord by applying the truths of Scripture in their everyday lives
