Giftocracy Michael Tetteh, 2016-02-01 Nearly thirty years ago in a tiny impoverished Ghanaian village a young boy dreamed of becoming a professional soccer player and competing against European powerhouse Manchester United Despite being told that he wasn't good enough to become a professional soccer player his dream was realized after being drafted by Seattle Sounders FC and competing against Manchester United in front of 67 000 fans At twenty three years old Michael Tetteh had realized his childhood dream Then late one night an encounter caused him to give up the single thing that had defined his entire life soccer In one moment he surrendered to a new vision and stepped into the unknown Was he crazy or brave Giftocracy takes you on an inspiring journey of self discovery with author Michael Tetteh Powerful lessons from real life experiences along with thoughts from trusted influential and transformational leaders including Myles Munroe John C Maxwell and Zig Ziglar will lead you to a new awareness Become empowered You can transform and transcend the opinions conditions and circumstances of your life Discover the gift trapped within you and share it with the world [Where the Light Fell](#) Philip Yancey, 2021-10-05 In this searing meditation on the bonds of family and the allure of extremist faith one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace a revelatory memoir that invites comparison to Hillbilly Elegy Publishers Weekly starred review Searing heartrending This stunning tale reminds us that the only way to keep living is to ask God for the impossible love forgiveness and hope Kate Bowler New York Times bestselling author of Everything Happens for a Reason Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta Philip Yancey and his brother Marshall found ways to venture out beyond the confines of their eight foot wide trailer But when Yancey was in college he uncovered a shocking secret about his father's death a secret that began to illuminate the motivations that drove his mother to extreme often hostile religious convictions and a belief that her sons had been ordained for a divine cause Searching for answers Yancey dives into his family origins taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia from trailer parks to church sanctuaries from family oddballs to fire and brimstone preachers and childhood awakenings through nature music and literature In time the weight of religious and family pressure sent both sons on opposite paths one toward healing from the impact of what he calls a toxic faith the other into a self destructive spiral Where the Light Fell is a gripping family narrative set against a turbulent time in post World War II America shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars have resurfaced in modern form Looking back points me forward *Specimens of the Elizabethan Drama from*
