Cobbett's Complete Collection of State Trials and Proceedings for High Treason Thomas Bayly Howell,Thomas Jones Howell,1809 **On Treason** Carlton F. W. Larson,2020-09-29 A concise accessible and engaging guide to the law of treason written by the nation s foremost expert on the subject The only crime defined in the United States Constitution treason is routinely described by judges as more heinous than murder Today the term is regularly thrown around by lawmakers and pundits on both sides of the aisle But as these heated accusations flood the news cycle it s not always clear what the crime of treason truly is or when it should be prosecuted Drawing on over two decades of research constitutional law and legal history scholar Carlton Larson takes us on a grand tour of the Treason Clause of the United States Constitution Despite the Clause s apparent simplicity Larson demonstrates that it is a form of constitutional quicksand in which seemingly obvious intuitions are often far off the mark From the floors of the medieval British Parliament that codified the Statute of Treasons upon which the American law was based to the treason of Benedict Arnold our nation s founding traitor to more recent events including WWII s Tokyo Rose and the allegations against Edward Snowden and Donald Trump Larson provides a riveting account of treason law in action *On Treason* is an indispensable guide for anyone who wants to understand this fundamental aspect of

our legal system With this short accessible look at the law s history and meaning Larson clarifies who is actually guilty and readers won t need a law degree to understand why *Eight Centuries of Reports* David Jenkins,Great Britain.
