Wherever this desire or idea comes from we know our time is limited If we are going to do something outstanding and memorable before we are gone wouldn't it be fitting to dedicate some of these actions to the Lord This book contains suggestions or ideas of things that will be of interest to Christians Some are relatively easy Others will require more energy and even intense prayer on our part Some of the things mentioned should have been done long ago One thing is certain whatever we do to please the Lord will affect us and have more impact on others than things we do just for ourselves This is because people usually don't think along these lines As we observe the world around us with all sorts of ideas of what makes life worthwhile Christians should lead the way by our actions Only things done for the kingdom of God have any lasting impact after we are gone from this short life We can say anything about any subject but what we do and for what reason are what matters Let these ideas be used for meditation and contemplation especially as we consider how little time we have left Christians should have a bucket list and you will get good ideas here This may be just the thing to motivate you to do something more for the glory of God and your relationship with Him It is our prayer that this book does just that Start planning your Bible bucket list now You will shock your friends Good things like these the sort of things we do unto the Lord and for His glory won't just happen We must make them happen It's getting later than you think To God be all the glory
