Saunière's Model and the Secret of Rennes-le-Château André Douzet, 2021-02-16 In 1916 Berenger Sauniere the enigmatic priest of the French village of Rennes le Château created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Sauniere leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Sauniere who had died just before the model's completion Backed by evidence showing correspondence between Sauniere and the model maker Douzet also reveals much new evidence including the revelation that Sauniere spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Sauniere met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Sauniere left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere's mystery a secret that is said to be of vital importance and terrifying force **The Holy Place** Henry Lincoln, 1991 From the author of *Holy Blood Holy Grail* the basis for *The Da Vinci Code* comes a deeper exploration of the secrets of Rennes le Château In 1982 Henry Lincoln with colleagues Michael Baigent and Richard Leigh published *Holy Blood Holy Grail* Dell which became an immediate international bestseller It investigated Rennes le Château a small town in France where in the late 19th century Berenger Sauniere's discovery of a series of parchments led in turn to a large but cursed treasure that challenged many traditional Christian beliefs including the possibility that Jesus's bloodline still exists The treasure's story moved back through history to the Crusades the origins of the Knights Templar and the Virgin Birth itself While Baigent and Leigh moved on to different subjects Lincoln has continued to pursue the mysteries of Rennes le Château Dan Brown's

international bestseller *The Da Vinci Code* Doubleday 3 03 based on *Holy Blood Holy Grail* has re ignited curiosity about this ancient powerful town In *The Holy Place* Lincoln reveals through further surveys decoding and analysis that this area in southwest France is the site of a vast megalithic Christian masterpiece a holy place of enormous size and importance **Key to the Sacred Pattern: The Untold Story of Rennes-Le-Chateau** Henry Lincoln,2015-09-20 Ten years before the publication of *Holy Blood Holy Grail* Henry Lincoln began his odyssey into the mysteries of an insignificant village in the French Pyrenees In the 1890s Berenger Sauniere the penniless priest of Rennes le Chateau became spectacularly wealthy after finding coded parchments hidden in his church His largesse transformed the village His Magdala Tower and his mysterious renovation of his church still stand as silent testament to the enduring mysteries of Rennes le Chateau Fifty years after Sauniere s death Henry Lincoln picked up the trail to discover the truth behind the priest s unexplained wealth Lincoln s dogged and methodical research culminated in three BBC television documentaries and the world wide best sellers *Holy Blood Holy Grail* and *The Messianic Legacy* which put forward the hypothesis that perhaps the priest had stumbled upon facts known only to a secret society the Priory of Sion Is it possible that Jesus was married Did he father a blood line which still survives Was the Priory of Sion behind the Knights Templar Did Sauniere find some or all of their fabled treasure But to say that **Key to the Sacred Pattern** is the chronicle of a hunt for lost Templar gold or chasing a shadowy secret society would be a mistake The true gem of **Key to the Sacred Pattern** is Lincoln s presentation of the unarguable and astonishing facts behind this strange and gripping mystery Far older than Jesus it stretches back into an undreamt past Is there a geometric pattern to the placement of holy places throughout Europe Discover the true Rennes le Chateau and the reality which lies beyond the mountaintop village This second edition of **Key to the Sacred Pattern** contains additional material as well as new and updated images *Rennes Le Chateau* D. Backed by evidence showing correspondence between Sauniere and the model maker Douzet also reveals much new evidence including the revelation that Sauniere spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Sauniere met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Sauniere left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere s mystery a secret that is said to be of vital importance and terrifying force
