Treasure Seekers:

The Story of the Treasure Seekers Edith Nesbit, 2021-01-04 This is the story of the different ways we looked for treasure and I think when you have read it you will see that we were not lazy about the looking There are some things I must tell before I begin to tell about the treasure seeking because I have read books myself and I know how beastly it is when a story begins Alas said Hildegarde with a deep sigh we must look our last on this ancestral home and then some one else says something and you don't know for pages and pages where the home is or who Hildegarde is or anything about it Our ancestral home is in the Lewisham Road It is semi detached and has a garden not a large one We are the Bastables There are six of us besides Father Our Mother is dead and if you think we don't care because I don't tell you much about her you only show that you do not understand people at all Dora is the eldest Then Oswald and then Dicky Oswald won the Latin prize at his preparatory school and Dicky is good at sums Alice and Noel are twins they are ten and Horace Octavius is my youngest brother It is one of us that tells this story but I shall not tell you which only at the very end perhaps I will While the story is going on you may be trying to guess only I bet you don't It was Oswald who first thought of looking for treasure Oswald often thinks of very interesting things And directly he thought of it he did not keep it to himself as some boys would have done but he told the others and said I'll tell you what we must go and seek for treasure it is always what you do to restore the fallen fortunes of your House Dora said it was all very well She often says that She was trying to mend a large hole in one of Noel's stockings He tore it on a nail when we were playing shipwrecked mariners on top of the chicken house the day H O fell off and cut his chin he has the scar still Dora is the only one of us who ever tries to mend anything Alice tries to make things sometimes Once she knitted a red scarf for Noel because his chest is delicate but it was much wider at one end than the other and he wouldn't wear it So we used it as a pennon and it did very well because most of our things are black or grey since Mother died and scarlet was a nice change Father does not like you to ask for new things That was one way we had of knowing that the fortunes of the ancient House of Bastable were really fallen Another way was that there was no more pocket money except a penny now and then to the little ones and people did not come to dinner any more like they used to with pretty dresses driving up in cabs and the carpets got holes in them and when the legs came off things they were not sent to be mended and we gave up having the gardener except for the front garden and not that very often And the silver in the big oak plate chest that is lined with green baize all went away to the shop to have the dents and scratches taken out of it and it never came back We think Father hadn't enough money to pay the silver man for taking out the dents and scratches The new spoons and forks were yellowy white and not so heavy as the old ones and they never shone after the first day or two Father was very ill after Mother died and while he was ill his business partner went to Spain and there was never much money afterwards I don't know why Then the servants left and there was only one a General A great deal of your comfort and happiness depends on having a good General The last but one was nice she used to make jolly good currant puddings for us

and let us have the dish on the floor and pretend it was a wild boar we were killing with our forks But the General we have now nearly always makes sago puddings and they are the watery kind and you cannot pretend anything with them not even islands like you do with porridge *The Treasure Hunter's Guide To INDIANA'S LOST & BURIED TREASURES, Volume I* Cotter Bass,2020-12-09 ABOUT THE BOOK INDIANA s LOST a feature of immeasurable value for quickly and accurately pinpointing site locations The preamble chapter entitled I BEFORE YOU DIG outlines rules regulations and laws pertaining to digging for treasure and prospecting in the state of Indiana while the APPENDICES A B include related Indiana Department of Natural Resources regulations for Public Use of Natural and Recreational Areas and Indiana Prospecting Regulations The chapter entitled II TREASURE HUNTING ETIQUETTE discusses metal detecting digging procedures and etiquette including the Metal Detectorists Code of Ethics Also included are Chapters III INDIANA ROAD MAP and IV INDIANA COUNTY MAP Not only is INDIANA s LOST BURIED TREASURES Volume I an invaluable resource for Indiana residents but treasure hunters prospectors metal detectorists and tourists from other locations especially the adjacent states of Michigan Ohio Illinois and Kentucky will find its pages jam packed with solid information travel directions tips and hints for pursuing their hobbies in Indiana **Treasure-seekers** Hans Roden,1967 **World Of Discovery Level C Set 1** ,2021-11-26 The is a specially curated selection of children s books that focus on discovering Asia and discovering STEM Science Technology Engineering and Maths Under the guidance of Dr Ruth Y L Wong these books aim to promote reading for pleasure while exciting kids through discovery With 51 books in this inaugural batch and with more to come the books are divided into three levels depending on the child s reading ability A Achieving B Blooming and C Confident Level C Set 1 features seven titles exploring themes of science imagination nature and global stories Intended outcomes of Level C include teaching children to be able to **Lost Treasure** Alpheus Hyatt Verrill,1930 **Parties** ,1927 **World Of Discovery Level C Set 2** ,2021-11-26 The is a specially curated selection of children s books that focus on discovering Asia and discovering STEM Science Technology Engineering and Maths Under the guidance of Dr Ruth Y L Wong these books aim to promote reading for pleasure while exciting kids through discovery With 51 books in this inaugural batch and with more to come the books are divided into three levels depending on the child s reading ability A Achieving B Blooming and C Confident Level C Set 2 features seven titles exploring themes of science imagination nature and global stories *World Of Discovery Level C Set 3* ,2021-11-26 The is a specially curated selection of children s books that focus on discovering Asia and discovering STEM Science Technology Engineering and Maths Under the guidance of Dr Ruth Y L Wong these books aim to promote reading for pleasure while exciting kids through discovery With 51 books in this inaugural batch and with more to come the books are divided into three levels depending on the child s reading ability A Achieving B Blooming and C Confident Level C Set 3 features seven titles exploring themes of science imagination nature and global stories Intended outcomes of Level C include teaching children to be able to **All the Year Round** Charles Dickens,1892 *The Magazine of Art* ,1885 *The*
