Daniel Webster

Treasury Of Daniel:

The Treasury of Daniel Martin Prine, 2002 The Treasury of Daniel by Dr Martin Prine demands the attention of Christians laypeople and ministers alike not to mention anyone hungry to challenge themselves to change their lives for the better Prine examines the power of prayer and its revelations of Absolute Truth a realization which God has desired all people of all generations to attain but which has become shrouded and obscured through practices which began centuries ago by the Catholic Church This has resulted in misplaced spiritual guidance of many of our pastors and ministers as well as the stubborn denial of most Christians to admit to the Bible s overwhelming yet overlooked message Prayer Works No other book on the market today goes into such depth about the power of prayer or the revelations about the true background of the Catholic Church and its historically entrenched problems Whether it s salvation healing or financial problems anything God wants us to bring our every need to Him The Lord receives honor and His name is lifted up when He releases His blessings to us notes Prine whose influential teachings have led many to Christ even to pastoring their own churches Find out why one of his many readers exclaims The Treasury of Daniel is a profound and powerful tool that I find myself returning to again and again Your life will find greater value peace and power than ever before The principles found in the The Treasury of Daniel will work for anyone willing to put forth the effort to apply them
