Stauffer,2021-04-09 Foundations of Couples Marriage and Family Counseling A newly updated and practical approach to marriage couples and family counseling Now in its second edition Foundations of Couples Marriage and Family Counseling delivers a comprehensive treatment of current theory research and real life practice in family therapy The text is fully aligned with the Council for Accreditation of Counseling and Related Educational Programs CACREP and Commission on Accreditation for Marriage and Family Therapy Education COAMFTE It covers foundational and advanced topics of critical importance to student counselors and therapists seeking to work in family settings including sexuality trauma divorce domestic violence addictions filial play therapy and the positioning of culture and context in family therapy The new edition includes updated content in each chapter and entirely new chapters on assessments and helping families mitigate adapt and transition during crisis This important book Covers the basic knowledge and skills essential to students and practitioners of couples and family therapy Details the history concepts and techniques associated with crucial theories and includes a new chapter on the most up to date assessment strategies Tackles contemporary issues and interventions in trauma divorce domestic violence sexuality and more At once comprehensive and concise the Second Edition of Foundations of Couples Marriage and Family Counseling offers readers a guide to the complex and interconnected concepts required to support a full understanding of couples and family therapy

**Chemical Dependency** Eileen B Isaacson,2012-12-06 This helpful book underscores the importance of working with both the individual and family as part of a comprehensive biopsychosocial approach in assessment intervention and treatment of chemical addiction With many case studies highlighting the treatment guidelines Chemical Dependency is an ideal guide for

professionals and students in addictions studies mental health and other human service related fields intent on working with and providing services to individual and family addiction *Working with Families* John T. Edwards, 2006-05-04 The most up to date edition of the gold standard reference in family therapy Clinician focused and highly practical this essential resource emphasizes hands on application over abstract theory Building on the legacy of John T Edwards the newly revised Third Edition addresses contemporary challenges facing families including addiction and the opioid crisis trauma social isolation cultural complexity and the impact of technology by providing concrete tools clinicians can use immediately in practice Designed as a true how to resource manual the book demystifies family systems theory and translates it into clear clinical models interventions and case examples Its content is applicable across a wide range of settings including mental health substance use treatment education child welfare and criminal justice While preserving Edwards accessible and practical voice this edition incorporates updated language reorganized content for improved usability and expanded attention to cultural humility special populations therapist use of self and clinical supervision A hallmark of the Third Edition is its multimodal practice ready design featuring session by session templates to guide clinicians in conducting both couples and family therapy along with updated case material field tested techniques editorial commentary highlighted quotes from John T Edwards an extensive video catalog interviews and previously unpublished content Readers will find An evidence informed practice ready guide for expanding family therapy competence Flexible clinical frameworks that prioritize responsiveness over prescriptive models Refreshed strategies for working with substance use trauma and behavioral addictions in diverse families Over 150 integrated video resources to enhance learning and application Ideal as a primary or supplementary text for graduate programs in social work counseling psychology and marriage and family therapy *Working With Families* also serves as an indispensable desk reference for practitioners seeking practical authoritative and hope centered clinical guidance **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1991 [Treating the Chemically Dependent and Their Families](#) Dennis C. Daley, Miriam S. Raskin, 1991 Chemical dependency For many families it has become an all too common problem be it drug or alcohol related What is needed is a practical resource that clearly outlines effective forms of intervention and treatment for chemically dependent individuals and families Answering this need is *Treating the Chemically Dependent and Their Families* Written by practitioners for practitioners this informative volume presents the major issues relevant to addiction and recovery from the perspectives of the addict the addict s family and the practitioner Replete with numerous case studies contributors discuss the consequences of addiction assessment of addiction problems recovery issues treatment resources relapse prevention effects on the addict s family and issues in family recovery For practitioners students or family members themselves searching for answers to this tragic problem you can t find a better resource than *Treating the Chemically Dependent and Their Families* A valuable resource for the rehabilitation counselor Many of the topics such as professional enabling apply to the counselor who is in the field of chemical addiction One of the

strengths is an overview of all the aspects of chemical addiction Each chapter has an impressive list of references The chapter on relapse prevention is encouraging The book is well organized which leads to its usability Journal of Applied Rehabilitation Counseling Offers abridged yet complete and up to date information Individual chapters are written by acknowledged professionals in the field and reflect their areas of expertise The prose of Daley and Raskin s book is clear Their use of language is unpretentious and straightforward The ideas presented are orthodox they are in keeping with current thinking throughout the field Professional Counselor Daley and Raskin do an excellent job covering the broad range of information and treatment issues that are needed to be understood in order to help individuals and families affected by substance abuse and addiction Contemporary Psychology Family Systems Therapy as a Treatment Approach to Child Abuse Jeannine Lorraine Mullin,1993 **Chemical Dependency Counseling** Robert R. Perkinson,2011-06-17 This volume is the most comprehensive guide for counselors and front line professionals who work with the chemically dependant in a variety of settings It is a basic introduction that guides the counselor through treatment from A to Z Chapters cover the gamut of treatment issues including developing the therapeutic alliance screening detoxification biopsychosocial assessment dual diagnosis patient orientation treatment planning individual therapy group therapy case management crisis intervention referral record keeping discharge planning and referral Author Robert R Perkinson provides case studies and step by step instructions with clear explanations and procedures that counselors need to use in all phases of patient care One of the key features of this volume is the inclusion of over 50 appendices which includes screening questionnaires scales history assessments personal recovery plans in patient and out patient schedules and many many more The new edition includes more appendicies and updates of existing ones Inclusion of issues of diversity and working with diverse clients Discussion of new treatment for addiction with detailed plan New discussion of relapse triggers including negative emotions social pressure interpersonal conflict and the recovery community New discussion of co occuring disorders **Current Catalog** ,1991 First multi year cumulation covers six years 1965 70 **Small Press** ,1991 *Chemical Dependency* Olivia Curtis,1999 Drawing on more than 15 years of experience as an active clinician and instructor specializing in treating the chemically dependent and their families Olivia Curtis presents an engaging and practical book on the nuts and bolts of counseling drug affected families Unique and timely *Chemical Dependency A Family Affair* looks at family dynamics from a family systems perspective and examines how those dynamics are affected by chemical dependency Through her insightful and friendly writing style Curtis gives a comprehensive summary of the development of family theories the structure of a family system and the interplay between chemical dependency and the family system *Subject Guide to Books in Print* ,2001 Psychosocial Occupational Therapy Rita P. Fleming Cottrell,1993 **DICP.** ,1991 **Career Counseling** Vernon G. Zunker,2002 This highly successful book has been called the most comprehensive book on the market providing readers with needed career theory as well as practical techniques and examples Through the author s clear writing style case

examples tables and exercises readers develop a solid understanding of the theoretical models of career counseling and are thoroughly exposed to the practical information on how to effectively counsel clients about career issues

**Forthcoming Books** Rose Arny,1992 *Recording for the Blind & Dyslexic, ... Catalog of Books* ,1996 **Chemical Dependency** Carl Aaron McNeece,Diana M. DiNitto,1994 Provides complete coverage of chemical dependency from aetiology epidemiology and treatment to regulation and prevention The text uses a systems approach that links the individual with familial community and environmental factors influencing drug use

**Psychotherapy in Chemical Dependence Treatment** George Buelow,Sidne A. Buelow,1998 1 integrative model of chemical dependence in treatment 2 practical decisions in assessment and referral 3 case conceptualization treatment planning and treatment 4 maintenance relapse and relapse prevention 5 individual treatment 6 family dynamics and treatment 7 children and adult children of alcoholics and other drug abusers 8 group treatment
