**Tree Surgery for Beginners** Patrick Gale, 2016-07-05 Bestselling British author Patrick Gale chronicles the misadventures of a misfit tree surgeon in this modern day myth of self discovery The Guardian It was in the ancient cathedral city of Barrowcester that eight year old Lawrence Frost began his love affair with the trees that had sprung up on the site of an ancient plague grave and unconsecrated resting place for the city s outcasts And it is there that the thirty two year old forester and arborist returns one night after sleeping out in his truck in his beloved Wumpett Woods to find blood staining the kitchen sink and floor of his farmhouse his wife and daughter gone Lawrence is suspected of beating his wife Bonnie for cheating on him with an American architect It appears Bonnie and their daughter Lucy have done the sensible thing and fled But when a corpse turns up burned beyond recognition the police decide to comb Wumpett Woods in search of a second body Soon Lawrence is branded a murderer and arrested Then Bonnie and Lucy turn up alive and Lawrence is cleared But he has lost his family He takes a five hundred passenger cruise on the SS Paulina where a chanteuse of a certain age and uncertain gender captivates him Lawrence begins a new journey a spiritual and erotic odyssey that takes him back to the buried secrets of his past and then onward toward the future From the English provinces to the Caribbean to America and the giant redwoods of northern California filled with Shakespearean twists and turns and happy coincidences Tree Surgery for Beginners is a sprawling Dickensian carnival of a book With multiple viewpoints and cameo appearances that include a vacillating tiger it sweeps readers along as Lawrence himself learns to move forward By turns moving and tragic this is a triumphant novel of growth love and healing from the bestselling author of Notes from an Exhibition

**Tree Surgery for Beginners** Patrick Gale, 2018-01-05 From the bestselling author Patrick Gale comes an early novel of love lies and the secrets we live with A very funny often sad novel writ with style Time Out Excellent The Times Lawrence Frost has neither father nor siblings and fits awkwardly into life happier communing with nature than with people When he wakes up one morning to discover his wife and child have gone missing there is evidence to suggest he may be the main suspect in a murder investigation Confused and threatened with the loss of everything he loves Lawrence is sent to the Caribbean on a kill or cure cruise On board and ashore he discovers love deceit the truth about his missing family and the blessings that come with surrendering to destiny Tree Surgery for Beginners is a vivid and engaging portrait of a man at odds with himself What readers say about Tree Surgery for Beginners His characters are so skilfully painted and human You need to know what happens to them This book approaches the human conditions of love loss and redemption with sympathy empathy and humour As with all Patrick Gale s books there is tremendous characterisation the reader almost feels that they are reading about people that they know that they are involved in the events unfolding in the story
