**Lyste van de regimente, soo te voet als te paert, dewelcke zyn op de uyttocht met ... den ... prince van Orangie**,1688\* *Les Belles Soeurs* Michel Tremblay,1974 Michel Tremblay s classic joual play Cast of 15 women A tart but human satire on Canadian life and aspirations Vancouver Sun Copyright Libri GmbH All rights reserved *Tremblay: Les Belles-Soeurs* Michel Tremblay,2000-02-24 This play takes a crate of gift stamps a Montreal kitchen and 15 women and mixing fast moving dialogue monologue and chorus produces a critique of women s place Quebec society and modern consumerism It created uproar when first performed in 1968 being both vilified for its parochial vulgarity and praised for its revelation of the dynamic resources of popular language In the perspectives newly opened by the Quiet Revolution of the 1960s Michel Tremblay s depiction of the women s squabbles is a devastating critique at once comic and bleak of the traditional Quebec ideal of Catholic wife and mother Killick s introduction begins by situating the realistic presentation of female subordination under achievement and frustration with the cultural development of modern Quebec She then shows how it achieves added resonance as a symbol of the closed horizons of Quebec society and more broadly exceeding the purely Canadian context as a biting indictment of materialistic values Finally *Les Belles Soeurs* is examined as a virtuoso theatrical experiment combining traditional dialogue and the classical unities of time space and action with the individual and group voices of cabaret and chorale A glossary is provided for linguistic difficulties **Dramatic Licence** Louise Ladouceur,2012-12-15 Translation is tricky business The translator has to transform the foreign to the familiar while moving and pleasing his or her audience Louise Ladouceur knows theatre from a multi dimensional perspective that gives her research a particular authority as she moves between two of the dominant cultures of Canada French and English Through the analysis of six plays from each linguistic repertoire written and translated between 1961 and 2000 her award winning book compares the complexities of a translation process shaped by the power struggle between Canada s two official languages The winner of the Prix Gabrielle Roy and the Ann Saddlemyer Book Award *Dramatic Licence* addresses issues important to scholars and students of Translation Studies Canadian Literature and Theatre Studies as well as theatre practitioners and translators The University of Alberta Press acknowledges the financial support of the Government of Canada through the National Translation Program for Book Publishing for our translation activities Foreword by E D Blodgett *Belles-sœurs* René Richard Cyr,2021 **Les belles soeurs**,2012 *Writing between the Lines* Agnes Whitfield,2006-03-03 The essays in *Writing between the Lines* explore the lives of twelve of Canada s most eminent anglophone literary translators and delve into how these individuals have contributed to the valuable process of literary exchange between francophone and anglophone literatures in Canada Through individual portraits this book traces the events and life experiences that have led W H Blake John Glassco Philip Stratford Joyce Marshall Patricia Claxton Doug Jones Sheila Fischman Ray Ellenwood Barbara Godard Susanne de Lotbinière Harwood John Van Burek and Linda Gaboriau into the

complex world of literary translation Each essay portrait examines why they chose to translate and what linguistic and cultural challenges they have faced in the practice of their art Following their relationships with authors and publishers the translators also reveal how they have defined the goals and the process of literary translation Containing original detailed biographical and bibliographical material Writing between the Lines offers many new insights into the literary translation process and the diverse roles of the translator as social agent The first text on Canadian translators it makes a major contribution in the areas of literary translation comparative literature Canadian literature and cultural studies

**National Performance** Erin Hurley, 2011-01-01 In National Performance Erin Hurley examines the complex relationship between performance and national identity How do theatrical performances represent the nation in which they were created How is Quebecois performance used to define Quebec as a nation and to cultivate a sense of Quebec ness for audiences both within and outside the province In exploring Expo 67 the critical response to Michel Tremblay s *Les Belles Soeurs* Carbone 14 s image theatre Marco Micone s writing practices Celine Dion s popular music and feminist performance of the 1970s and 80s Hurley reveals the ways in which certain performances come to be understood as national while others are relegated to sub national or outsider status Each chapter focuses on a particular historical moment in Quebec s modern history and a genre of performance emblematic of the moment and uses these to elaborate the nature of the national performances Winner of the Northeast Modern Language Association s Book Prize National Performance is sophisticated yet accessible seeking to enlarge the parameters of what counts as Quebecois performance while providing a thorough introduction to changing discourses of nation ness in Quebec
