## SPARK ACTION - How To Lead Change

## The Future of Work: Leaders Succeed in Disruption

Do you want to become a leader in the future of work? The future of work is rapidly changing, and leaders who are able to navigate this change will be the ones who succeed. In this guide, we explore the key skills and habits that will help you lead your team through disruption and emerge as a successful leader in the future of work.

**1. Be a role model**

Be a role model for your team and hold yourself accountable for your actions. This means being transparent about your own struggles and failures, and showing your team how to overcome them. It also means being consistent in your actions and words, and demonstrating the values and behaviors that you expect from your team.

**2. Communicate a clear vision and strategy**

Communicate a clear vision and strategy to your team, and ensure that everyone is aligned and working towards the same goals. This means being clear about what you want to achieve, and how you plan to get there. It also means being open to feedback and adjusting your vision and strategy as needed.

**3. Check in regularly with your team**

Check in regularly with your team to understand the challenges they are facing and how to solve them. This means taking the time to listen to your team members, and asking them for their input and feedback. It also means being available to your team, and providing them with the support and resources they need to succeed.
