Mental Health 2025 Edition

Sarah Housden

Mental Health 2025 Edition:

Policy, Innovation, and Diversity: A Blueprint for Mental Health Transformation, An Issue of Nursing Clinics Connie Braybrook, Pamela Wall, 2026-03-28 In this issue of Nursing Clinics of North America guest editors Connie Braybrook and Pamela Wall bring their considerable expertise to the topic of Policy Innovation and Diversity A Blueprint for Mental Health Transformation Transforming mental health care is a top global priority with the primary care nurse at its core This special issue in mental health represents a vision of the future of mental health nursing with the main aim of optimizing health outcomes and reducing the disease burden Contains 14 relevant practice oriented topics including historical perspectives and mental health nursing past present and future AI and mental health nutrition and mental health emerging evidence cultural competency and implicit bias decreasing barriers to Native American and First Nation mental health care and more Provides in depth clinical reviews on policy innovation and diversity a blueprint for mental health transformation offering actionable insights for clinical practice Presents the latest information on this timely focused topic under the leadership of experienced editors in the field Authors synthesize and distill the latest research and practice guidelines to create clinically significant topic based reviews

Understanding Self-Harm and Suicide for Nurses and Health Practitioners Sarah Housden, 2026-03-13 This practical book equips nurses and health practitioners with essential knowledge and skills for understanding and supporting people experiencing suicidal thoughts and engaging in self harm Exploring why people might experience suicidal ideation or feelings or use self harm this skills based book emphasises core skills a health practitioner needs to respond effectively and compassionately dispelling myths and misconceptions that fuel stigma It is informed throughout from service user perspectives and includes examples of good practice suggestions for small changes that make meaningful differences and reflective activities Promoting practice that enables people experiencing suicidal thoughts and engaging in self harm to feel safer and more hopeful and to function at their best this guide is an essential read for all health professionals

Discipology Peyton Jones, 2026-03-17 The modern church is facing a discipleship crisis Research shows that only one third of Christians in America are actively engaged in making disciples leaving a massive gap in the mission Jesus gave us Without a clear strategy many churches struggle to move believers from passive attendance to active participation in the work of the Gospel In Discipology Jones challenges pastors church leaders and ministry teams to return to the original model of discipleship that Jesus demonstrated Rather than relying on programs or events Jesus focused on three essential elements that formed the foundation of lasting disciple making Time Teaching and Tactics Through intentional time spent with a small group of followers consistent teaching rooted in Scripture and practical tactics for engaging in mission Jesus set a clear and reproducible pattern for spiritual multiplication Discipology unpacks each of these elements in detail offering leaders a practical biblical framework that takes the mystery out of discipleship and provides a clear path for mobilizing their people This book is written specifically for pastors church leaders and ministry workers who long to see real spiritual growth

in their communities It s designed to help you build a disciple making culture that empowers ordinary believers to live out their faith in everyday life Alongside the book an accompanying journal is available for your congregation volunteers small groups and ministry teams equipping them to walk through the principles of Discipology in a hands on personal way The mission of the Church has always been disciple making It s time to return to the way of Jesus and to lead the next generation into it

Environment and Society Wendy Wiedenhoft Murphy,2025-12-10 Environment and Society Sustainability in the Age of Climate Change by Wendy Wiedenhoft Murphy explores the intricate relationship between human societies and the natural environment through a sociological lens emphasizing the urgent need for sustainability in the face of climate change By integrating environmental sociology and sustainability studies this book highlights the roles of governments activists and individuals in fostering a just and sustainable future urging readers to reimagine their communities and take collective responsibility for the planet
