## **Technological Systems And Development:**

Technological Systems and Development Jeffrey James, Haider A. Khan, 1998-06-15 This book explores the notion of a technological system and more specifically the distinction between modern and traditional technological systems Using highly disaggregated data for a range of sectors and developing countries we have applied this distinction to micro as well as macro economic policy issues By identifying distinct systems of technology in a multisectoral model of the economy we have been able to quantify certain aspects of those systems within a rigorous conceptual framework The relationship between income distribution the choice of technology and its subsequent impact is examined in detail *The Development Of Large Technical Systems* Renate Mayntz, Thomas Hughes, 2019-07-11 This book is an outcome of the conference on the development of large technical systems held in Berlin in 1986 It focuses on the comparative analysis of the development of large technical systems particularly electrical power railroad air traffic telephone and other forms of telecommunication

**Socio-technical Systems in the Shaping and Development of Digital Business Models** Marek Jablonski, 2025-10-21 The aim of the monograph is to demonstrate different approaches to building business models where the starting point is the joint examination of social and technical factors In this way business ecosystems are created without state borders which thanks to technological mergers improves their performance in terms of effectiveness and efficiency The monograph also aims to indicate the core aspects of designing and shaping digital business models based on the assumptions of the concept of socio technical systems The book presents a multidimensional approach to shaping digital platforms in the context of the determinants of complexity theory business ecosystems and the taxonomy of various approaches to designing digital transformation solutions Innovative algorithms and socio technical and engineering models support the design of digital business models *Technological Systems and Development* Jeffrey James, 1998 Defense White Paper, 1995
