LARGE PRINT EDITION

The Anabasis

Xenofont

The Anabasis:

The Anabasis of Cyrus Xenophon,2008 In this new translation of the Anabasis Wayne Ambler achieves a masterful combination of liveliness and a fidelity to the original uncommon in other versions **The anabasis** Xenophon,1854

Anabasis Xenophon,2023-11-09 The Anabasis is his story of the march to Persia to aid Cyrus who enlisted Greek help to try and take the throne from Artaxerxes and the ensuing return of the Greeks in which Xenophon played a leading role This occurred between 401 B C and March 399 B C The Anabasis composed at Scillus between 379 and 371 is a work of singular interest and is brightly and pleasantly written Xenophon like Caesar tells the story in the third person and there is a straightforward manliness about the style with a distinct flavour of a cheerful lightheartedness which at once enlists our sympathies His description of places and of relative distances is very minute and painstaking The researches of modern travellers attest his general accuracy It is expressly stated by Plutarch and Diogenes La rtius that the Anabasis was the work of Xenophon and the evidence from style is conclusive The allusion Hellenica iii 1 2 to Themistogenes of Syracuse as the author shows that Xenophon published it under an assumed name **The Anabasis** Xenophon,Alpheus Crosby,2015-10-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Anabasis** Xenophon,Edward Spelman,2015-08-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Anabasis**

(The Persian Expedition) Xenophon, 2019-11-09 Widely considered the most famous work of the professional soldier and writer Xenophon *Anabasis* is a true tale of dangerous adventure in ancient Greece Though advised not to join the army of 10 000 by his friend Socrates Xenophon does set out with Cyrus the Great in that man's attempt to gain the empire of Persia from his brother When this leader is killed in battle however the army loses cause and direction and the result is a marching republic in which the remainder of the army must fight their way home Through endless miles of hostile territory where their foes crop up at every turn Xenophon emerges as one of the few men capable of making decisions and leading the army through a variety of difficulties in a perilous retreat back to Greece When at last they reach the sea and know they are near their homeland their cries of fierce joy resound and become the stuff of legend Told in forthright and unpretentious prose this epic journey of extraordinary endurance over hardship remains an entertaining account that exemplifies Socratic philosophy classic Greek writing and the bygone valor of remarkable warriors This edition follows the translation of H G Dakyns and is printed on premium acid free paper

Anabasis Xenophon, Henry Graham Dakyns, 2025-03-28 Xenophon's *Anabasis* recounts one of history's most remarkable military expeditions This gripping firsthand account details the arduous journey of the Ten Thousand a Greek mercenary army deep into the heart of the Persian Empire Hired by Cyrus the Younger to challenge his brother for the throne the Greeks found themselves stranded in hostile territory after Cyrus's death in battle Facing overwhelming odds and navigating treacherous landscapes Xenophon emerged as a leader guiding the remaining soldiers through perilous trials *Anabasis* vividly portrays the challenges of survival the complexities of ancient warfare and the unwavering determination of the Greek warriors A cornerstone of Greek history and military literature this classic text offers a timeless perspective on courage leadership and the resilience of the human spirit in the face of adversity It remains a compelling read for anyone interested in ancient Greece and the history of warfare This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Four Books of Xenophon's Anabasis Xenophon, James Robinson Boise, 1885

The Anabasis of Alexander; Or, The History of the Wars and Conquests of Alexander the Great Arrian, 1884

Anabasis Greek Writer Xenophon, 2013-12-15 Christmas Summary Classics This series contains summary of Classic books such as Emma Arne Arabian Nights Pride and prejudice Tower of London Wealth of Nations etc Each book is specially crafted after reading complete book in less than 30 pages One who wants to get joy of book reading especially in very less time can go for it About The Book Xenophon was born at Athens about B C 430 and died probably in 355 He was an Athenian gentleman who in his early manhood was an intimate member of

the Socratic circle In 401 he joined the expedition of Cyrus recorded in the Anabasis and did not again take up his residence in Athens The Anabasis must be introduced by an historical note In the year 404 B C the Peloponnesian war was brought to a close by a peace establishing the Lacedaemonian supremacy consequent upon the crowning disaster to the Athenians at Aegospotami In the same year the Persian king Darius Nothus died and was succeeded on the throne by his son Artaxerxes His younger son Cyrus determined to make a bid for the throne He had personal knowledge of the immense superiority of the Greek soldiery and the Greek discipline over those of the Eastern nations Accordingly he planned to obtain the services of a large contingent of Greek mercenaries who had become the more readily available since the internecine struggle between the two leading states of Hellas had been brought to an end The term Anabasis or going up applies properly to the advance into the interior the retreat with which the work is mainly concerned is the Katabasis The author writes his record in the third person This epitome has been specially adapted for THE WORLD S GREATEST BOOKS from the Greek text For more eBooks visit www.kartindo.com

The Anabasis of Cyrus Xenophon, 2011-06-23 An excellent book for anyone interested in Ancient Greek warfare or just a rattling good tale The NYMAS Review One of the foundational works of military history and political philosophy and an inspiration for Alexander the Great the Anabasis of Cyrus recounts the epic story of the Ten Thousand a band of Greek mercenaries hired by Cyrus the Younger to overthrow his brother Artaxerxes king of Persia and the most powerful man on earth It shows how Cyrus army was assembled covertly and led from the coast of Asia Minor all the way to Babylon how the Greeks held the field against a superior Persian force how Cyrus was killed leaving the Greeks stranded deep within enemy territory and how many of them overcame countless dangers and found their way back to Greece Their remarkable success was due especially to the wily and decisive leadership of Xenophon himself a student of Socrates who had joined the Ten Thousand and after most of the Greek generals had been murdered rallied the despondent Greeks won a position of leadership and guided them wisely through myriad obstacles In this new translation of the Anabasis Wayne Ambler achieves a masterful combination of liveliness and a fidelity to the original uncommon in other versions Accompanying Ambler s translation is a penetrating interpretive essay by Eric Buzzetti one that shows Xenophon to be an author who wove a philosophic narrative into his dramatic tale The translation and interpretive essay encourage renewed study of the Anabasis as a work of political philosophy They also celebrate its high adventure and its hero s adroit decision making under the most pressing circumstances

Anabasis Xenophon, 2015-09-01 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on
