## **The Anderson Tapes:**

*The Anderson Tapes* Lawrence Sanders, 2013-02-12 The explosive Edgar Award winning debut novel told entirely through surveillance recordings eyewitness reports and other official documents by New York Times bestselling author Lawrence Sanders New York City Summer 1968 Newly sprung from prison professional burglar John Anderson is preparing for the biggest heist of his criminal career The mark is a Manhattan luxury apartment building with the tony address of 535 East Seventy Third Street Enlisting a crew of scouts con artists and a getaway driver Anderson orchestrates what he believes to be a foolproof plan To pull off the big score he needs one last thing the permission of the local mafia who expect a piece of the action But no one inside Anderson s operation knows that the police have recorded their conversations The New York Police Department has hatched a plot of its own but even its task force may not be enough to stop such a cunningly planned robbery

**The Anderson Tapes** Lawrence Sanders, 1970 The nationwide bestseller that launched the career of Lawrence Sanders and introduced his most famous character Edward X Delaney hero of the Deadly Sin series of novels The novel races forward accelerating in action and suspense The New York Times [The Anderson Tapes](#), 2017 **The Taking of New York City** Andrew Rausch, 2024-11-05 For a time in the 1970s New York City seemed to many to be genuinely on the cusp of collapse Plagued by rampant crime graft catastrophic finances and crumbling infrastructure it served as a symbol for the plight of American cities after the convulsions of the 1960s This tale of urban blight was reinforced wherever one looked whether in the news media memorably captured in the infamous New York Daily News headline Ford to City Drop Dead or the countless movies that evoked the era s uniquely gritty sense of dread The Taking of New York City is a history of both New York and some of the decade s most definitive films including The French Connection 1971 the first two Godfather movies 1972 1974 Taxi Driver 1976 Serpico 1973 Dog Day Afternoon 1975 and many more It was also an era in which the city wrestled with the racial tensions still threatening the tear the nation apart never more so than in Blaxploitation classics such as Shaft 1971 and Super Fly 1972 These films depicted the city that never sleeps as a grim violent place overridden with muggers pimps and killers Projected at drive ins and inside their local movie houses rural America saw New York as a nightmare a vile dystopia where the innocent couldn t rely on the local law enforcement who were seemingly all on the take If one took Hollywood s word for it the only way a person was able to find justice in 1970s New York City was by grabbing a gun and meting it out themselves Author Andrew Rausch meticulously separates fact and fiction in this illuminating book Attentive to the ways that New York s problems were exaggerated or misrepresented it also gives an unvarnished look at just how bad things could get in the Rotten Apple and how movies told that story to the country and the world **The**
