The Apostle Paul:

Apostle Paul Udo Schnelle, 2005-11 This comprehensive introduction to the life and thought of Paul combines historical and theological analysis *The Call* Adam Hamilton, 2015-05-26 With Adam Hamilton we have traced the life of Jesus from his birth The Journey through his ministry The Way to his death and resurrection 24 Hours That Changed the World What happened next Follow the journeys of Paul beginning with his dramatic conversion as he spread the Gospel through modern day Greece and Turkey Travel to the early church sites and explore Paul's conversations with the Romans Corinthians Galatians Ephesians Philippians Colossians and Thessalonians In this six week study you are invited to experience faith through Christ's greatest teacher and missionary Endorsements Adam Hamilton has proven to be a faithful guide to applying the Bible to modern life in a sane and balanced way and I trust him as an interpreter of the Apostle Paul for today Philip Yancey author of *Vanishing Grace* and *The Jesus I Never Knew* Pastor and teacher Adam Hamilton succeeds brilliantly in introducing the life and ministry of Paul Adam's interweaving of personal testimony and ministry insights provide important lessons for Christian disciples today something Paul himself would have readily welcomed Dr Mark Wilson Asia Minor Research Center Antalya Turkey Adam Hamilton demonstrates theologically and spiritually how indispensable the apostle Paul is to both the early Christian and 21st century church This book is a wonderful gift for the church and I recommend it with utmost Christian enthusiasm Dr Israel Kamudzandu Associate Professor of New Testament and Biblical Interpretation Saint Paul School of Theology I regularly lead groups of seminary students alums clergy and laity on immersion trips to Greece and Turkey This book will certainly be on my reading list Jaime Clark Soles Associate Professor of New Testament Altshuler Distinguished Teaching Professor Perkins School of Theology [The Apostle](#) John Pollock, 1994-01-07 The Acclaimed Authentic Biography of the Early Church's Greatest Evangelist the Apostle Paul Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him As you turn the pages you'll sense Paul's motives his aims and priorities what mattered to him and what he was willing to die for [Paul, the Apostle of Jesus Christ](#) Ferdinand Christian Baur, 2021-05-28 Baur's *Paul the Apostle of Jesus Christ* was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul It lays the basis for modern Pauline scholarship The first part *The Life and Activity of the Apostle Paul* consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles While the author of Acts passed on historical traditions about Paul he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul The second part *The Epistles of the Apostle Paul* is divided into three main sections the authentic epistles of Paul Galatians 1 and 2 Corinthians Romans the deutero Pauline epistles Ephesians Colossians Philippians Thessalonians Philemon and the Pastoral Epistles 1 and 2 Timothy Titus In the first two parts Baur's historical critical skills are at their finest The third part *The Apostle's*

Theological Framework draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time **The Apostle Paul** Marion L. Soards,1987 This dynamic new consideration of Paul addresses the three basic subjects that make up Pauline studies Paul s life letters and theology and argues that these elements must be treated together since to do otherwise risks distorting one or more of the arguments *One Untimely Born* Robert L. Cate,2006 This book traces the life and ministry of Paul Like a modern Sherlock Holmes the author examines the clues available from the most current evidence in the earliest biblical texts archaeological discoveries and histories of the period from the earliest Roman historians through the most recent modern interpreters to set forth what we know about the life and work of Paul [An Illustrated Guide to the Apostle Paul](#) Alan S. Bandy,2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome An Illustrated Guide to the Apostle Paul brings his remarkable story to life Drawing from the book of Acts Paul s many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource **St. Paul the Apostle** Irving Brittle Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In *St Paul the Apostle* author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ *St Paul the Apostle* also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today **Paul** E. P. Sanders,2015-12-01 E P Sanders

Porter,2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul s thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul s life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul s thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all thirteen of Paul s letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter The result is a thorough balanced treatment of one of the most important figures in Christianity **Paul, the Apostle of Christ** Ferdinand Christian Baur,2023-04-27 F C Baur s monumental study Paul the Apostle of Jesus Christ 1845 is one of the greatest works of all time on the Apostle to the Gentiles Laying the basis for modern Pauline scholarship its three sections in turn thoroughly deconstruct the account of Paul found in Acts examine the authentic deuteron Pauline and Pastoral Epistles and draw the various strands of Paul s thought into a cohesive whole In the first two parts Baur s historical critical skills are at their finest while in the third the influence of Hegel and Schleiermacher can be seen as Baur presents a comprehensive synthesis of Pauline theology Since the original nineteenth century English translation of Baur s masterpiece is no longer adequate Hodgson and Brown s new edition will serve as the definitive resource for future scholarship They not only present a new translation of the German but also provide critical annotations and translations of all the scriptural passages originally quoted in Greek Baur on Paul becomes truly available in English for the first time **Paul and Jesus** James D. Tabor,2013-11-26 Draws on St Paul s letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today **Paul the Apostle** J. Wilson,1997 Focusing on the psychological motives behind Paul s life the author shows how the apostle invented Christianity through his proselytizing his teachings and his negotiating the perilous political currents of the Roman Empire *Remembering Paul* Benjamin L. White,2014-08-15 Who was Paul of Tarsus Radical visionary of a new age Gender liberating progressive Great defender of orthodoxy In *Remembering Paul* Benjamin L White offers a critique of early Christian claims about the real Paul in the second century C E a period in which apostolic memory was highly contested and sets these ancient contests alongside their modern counterpart attempts to rescue the historical Paul from his canonical entrapments White charts the rise and fall of various narratives about Paul and argues that Christians of the second century had no access to the real Paul Through the selection combination and interpretation of pieces of a diverse earlier layer of the Pauline tradition Christians defended images of the Apostle that were important for forming collective identity **Being Real** Philip Plyming,2023-10-28 In an age of carefully managed public profiles presented via Instagram or BeReal or even the public presentation of our churches Paul s stories of hardship in his letters to the Corinthians draw us to a different relationship with ourselves and our communities one which enables to tell authentic stories about ourselves warts and all In his deep and careful study of the epistles to the Corinthians Philip Plyming demonstrates how Paul calls the Corinthian Christians to a way of living which stands in stark contrast from the prevailing culture of Corinth and argues that there are profound lessons to be learnt for faithful Christians and churches today [The Apostle Paul](#) Jonathan Howard,2012-04-25 Paul the apostle was a crusader for the cause of Christianity After he encountered Jesus and became a believer he dedicated his life to spreading the Gospel He is recognized as the founder of the Christian church due in part to his ministry after the death of Jesus He made three missionary trips which are chronicled in various books of the Christian bible He is also accredited with writing several of the New Testament books including Romans 1 2 Corinthians and Galatians During his life the apostle Paul endured persecution
