**The Arrow of Gold - a Story Between Two Notes (1919)** Joseph Conrad, 2018-11-10 Reflecting Conrad's genius for narrative that focuses on the quest for inner truths, *The Arrow of Gold* is an exploration of the dangerous appetites of men and of human vulnerability as well as a profound meditation on the emotional boundary between people. Boasting a cast of extraordinary and eccentric personalities, including the heroine Dona Rita, this is a story of adventure on the high seas, of the revelation of love, of the crushing weight of loss, and of freedom found in the recklessness of unadorned sincerity. During the Carlist war of the early 1870s, a young sailor, the unnamed protagonist, joins the champions of Don Carlos de Bourbon, pretender to the throne of Spain. The Carlists use the eager youth's intense attraction to the sea to persuade him to run perilous enterprises for their cause. Ventures he later learns have been financed by the beautiful mistress and heiress of a rich man's fortune. When he falls in love with her, he finds himself moved absolutely by this discovery, despite the fact that she is unable to return his love fully. In the end, he is left alone with his first love, the sea, his brief time with the mysterious Dona Rita marking a tumultuous awakening to a life of passion, the desolation that hides in its shadow, and the possibility of rebirth in its wake. Although not as well known as his earlier novels *Lord Jim* and *Nostromo*, *The Arrow of Gold* was critically acclaimed when it first appeared in 1919 and is still considered to be among the best of Conrad's later works.

Joseph Conrad, born Józef Teodor Konrad Korzeniowski (3 December 1857 – 3 August 1924), was a Polish-British writer regarded as one of the greatest novelists to write in the English language. Though he did not speak English fluently until his twenties, he was a master prose stylist who brought a non-English sensibility into English literature. Conrad wrote stories and novels, many with a nautical setting, that depict trials of the human spirit in the midst of what he saw as an impassive, inscrutable universe. Conrad is considered an

early modernist though his works contain elements of 19th century realism His narrative style and anti heroic characters have influenced numerous authors and many films have been adapted from or inspired by his works Numerous writers and critics have commented that Conrad s fictional works written largely in the first two decades of the 20th century seem to have anticipated later world events Writing near the peak of the British Empire Conrad drew among other things on his native Poland s national experiences and on his own experiences in the French and British merchant navies to create short stories and novels that reflect aspects of a European dominated world including imperialism and colonialism and that profoundly explore the human psyche
