The Value of Sacred Music, 2009-03-23 This collection of historically significant essays focuses on the purpose and function of sacred music Issues of historicity spirituality standardization and other topics central to the study of Protestant Catholic and Jewish sacred music from 1801 to 1918 are explored Moving from musicology to psychology and to religious studies this volume captures the breadth of scholarship available in the field as well as serving as a useful introduction for those readers just beginning their study of sacred music

Music in Western Civilization Paul Henry Lang, 1997 A comprehensive history of occidental music focuses on the function of music as an expression of the spirit and artistic life of each age **The Art of Accompanying Plain Chant** Max Springer, 1908 *The Art of Singing* MULTIPLE CONTRIBUTORS., 2018-04-22 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars The eighteenth century fascination with Greek and Roman antiquity followed the systematic excavation of the ruins at Pompeii and Herculaneum in southern Italy and after 1750 a neoclassical style dominated all artistic fields The titles here trace developments in mostly English language works on painting sculpture architecture music theater and other disciplines Instructional works on musical instruments catalogs of art objects comic operas and more are also included The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification British Library T191344 London printed for T Meighan 1748 24p ill music 12

Decadent Enchantments Katherine Bergeron, 2023-04-28 The oldest written tradition of European music the art we know as Gregorian chant is seen from an entirely new perspective in Katherine Bergeron s engaging and literate study Bergeron traces the history of the Gregorian revival from its Romantic origins in a community of French monks at Solesmes whose founder hoped to rebuild the moral foundation of French culture on the ruins of the Benedictine order She draws out the parallels between this longing for a lost liturgy and the postrevolutionary quest for lost monuments that fueled the French

Gothic revival a quest that produced the modern concept of restoration Bergeron follows the technological development of the Gregorian restoration over a seventy year period as it passed from the private performances of a monastic choir into the public commodities of printed books photographs and Gramophone records She discusses such issues as architectural restoration the modern history of typography the uncanny power of the photographic image and the authority of recorded sound She also shows the extent to which different media shaped the modern image of the ancient repertory an image that gave rise to conflicting notions not only of musical performance but of the very idea of music history The oldest written tradition of European music the art we know as Gregorian chant is seen from an entirely new perspective in Katherine Bergeron s engaging and literate study Bergeron traces the history of the Gregorian revival from its Romantic origin
