Extraordinary Golf: the Art of the Possible Fred Shoemaker, Pete Shoemaker, 1997-04-01 Most golfers approach the tee with a complex mental package worries and judgments about their swing the other person's swing the course the weather looking good looking bad They think about what's wrong instead of what's possible and this is what Extraordinary Golf teaches the art of the possible Drawing on his experience teaching both amateurs and professionals for more than fifteen years in his clinics around the country in his Golf in the Kingdom seminars at the Esalen Institute and at his own School for Extraordinary Golf in California Shoemaker shows how extraordinary golf can be coached learned and practiced with results not only in people's scores but in their sheer pleasure in the game Combining a host of practical exercises with an entirely new point of view he demonstrates how to focus not on the voices in your head but on the reality of golf the club the ball your body the course the elements that actually

make up your game He shows how to approach shots creatively instead of mechanically how to read greens simply by staying awake how to develop a powerful and consistent swing by rediscovering trust for your instincts and how to improve yourself in competition by determining what you re competing for He also gives simple guidelines on how to coach yourself your spouse and your children successfully
