George Edward Smock,1928 Joseph Conrad and the Arts of his Time Robert Hampson,2026-01-31 This volume is the product of new research on Conrad s engagement with the arts during his lifetime Beginning with nineteenth century Polish landscape painting and Polish theatre the essays move through music and the performing arts during Conrad s time in Marseilles the opera Conrad encountered in Australia and Conrad s later life knowledge of recent and contemporary classical music Subsequent essays demonstrate his familiarity with contemporary visual art particularly through his friendships with various artists in London his interest in dance and his active involvement in contemporary theatre and screen writing The volume concludes with a discussion of Conrad s art as a novelist and playwright his theatrical imagination in relation to developments in theatre theory of the time Joseph Conrad and the Art of Sacrifice Andrew Mozina,2001 This book explores the importance of sacrifice in Joseph Conrad s major fiction both as a theme and in Conrad s stance as a writer showing how his biography politics and literary background shaped his treatment of the problem **Joseph Conrad** Robert Hampson,Owen Knowles,1989-11 Joseph Conrad Sanjeev Khanna,2008-01-01 Joseph Conrad 1857 1924 English novelist The Life and the Art Keith Carabine,2022-05-20 The Life and the Art A Study of Conrad s Under Western Eyes has a twofold origin Over the past ten years as an associate editor of the prospective Cambridge Edition of Under Western Eyes the author Keith Carabine has worked on the genesis and composition of the novel in its several versions and on its literary ideological social and historical contexts At the same time during these years he has taught seminar courses on Conrad for undergraduates and on Conrad and Dostoevsky for postgraduates This interpenetration of teaching and research constantly reminded the author that his many hours devoted to textual minutiae and manuscript variations or to a study of Conrad s Polish background should result not only in a scholarly edition of the novel in a book that will demonstrate the ways in which Conrad s life and his protracted uncertain composition of the Under Western Eyes enrich his art and the title of this book deliberately invokes Conrad s belief in the inseparability of the art and the life This study s six chapters concentrate in different ways and with differing emphases on the complex inter relations between the art and the life on the intersections

between Conrad's personal preoccupations, fictional aesthetic, and working practices with regard to what he described as without doubt the most deeply meditated novel that came from under my pen.
