Guiardinú,2026-03-24 In a universe where divine infernal and mortal realms overlap and break again and again *Rey De Heavens* is the thread that does not snap He begins as a monster marked by blood that is not entirely vampiric or werewolf dragged from the start into territories where magic faith and cruelty are as solid as gravity The book follows him through very different phases of his life from violent academies in dystopian futures where technology monitors even the last thought through cities consumed by hell made flesh distant planets fortresses hanging over dying worlds and wars between gods trying to reset the balance of creation with repeated cataclysms In each of these stages Rey faces something that is always the same thing with a different mask the temptation to use his power as a final weapon even if the price is his capacity to feel empathy *Rey De Heavens* is not just a saga of battles between angels demons and gods It is the record of a being who as he climbs each rung of power sheds layers of emotions and is forced to ask whether his existence is a gift or a curse Among ruined galaxies cities devoured by resentment and mystical books that rewrite reality the real war is not only for control of the cosmos but for something smaller and harder the possibility of remaining someone and not just a force when everything around him pushes him to become something else *The Chronicles of Arax* Benjamin Sanford,2022-06-28 Our actions define us as heroes or cowards not our intentions Such is the nature of war *Arsenic Men* march beside their comrades into walls of spears and under rains of arrows refusing to relent so as not to shame themselves before their brothers For every

man who shirks his duty and abandons his post a hundred stand their ground What more can a hero be than a man who risks his life for country and friend in spite of the obvious fear that strikes at us all The paths of war and heroes are forever intertwined War does not create heroes It merely reveals them They are not measured by the greatest of deeds but by the simple willingness to do their part I am marching north in their company King Lore before the battle of Kregmarin Having freed Cronus from the dungeons of Fera his friends must navigate the treacherous lands of the Benotrist realm to escape Tyro s wrath Tosha hunts Raven desperate to bring him to her mother s realm or suffer the shame of failure before her vassals Leanna eagerly awaits the return of her lost love while Terin must return to his native realm after becoming separated from the others Journeying first to the Yatin Empire and then Corell Terin continues to unlock the full power of his father s sword embracing the mysterious destiny guiding his path Tyro obsesses over the images carved on Terin s lost necklace haunted by the ghosts of his past while unleashing Morac to wage war on the Torry realm With the fortunes of his kingdom at stake King Lore makes a bold decision With the conflagration spreading across Arax will the fate of the kingdoms rise and fall by the fickle winds of chance or the guiding hand of destiny
