Through The Collectors Eye:

The Collector's Eyes Chinedu Nnadi,2025-11-13 Elias Venn was once known as the man who could find beauty in anything Now behind the locked doors of his seaside mansion he searches for something far darker His antiques shop Venn Curiosities has become a graveyard of haunted relics mirrors that whisper dolls that breathe clocks that refuse to die Each piece he acquires carries a weight he can't explain and eyes that seem to watch him when he's alone When journalist Clara Ames arrives to expose him as a fraud she expects a story about greed and superstition What she finds instead is a man unraveling under the burden of his collection and a series of deaths linked to the objects themselves The deeper she digs the more the line between the living and the dead begins to blur Every artifact tells a story Every story ends the same way with a soul trapped inside And the collection is growing Now Elias and Clara must confront the horrifying truth behind an ancient order that believed the eyes of the dying could capture eternity To stop the curse they'll have to face the force that dwells within the relics a presence hungry for both of them In *The Collector's Eyes* beauty becomes a prison obsession turns to possession and every reflection hides a ghost waiting to be seen Once you look too closely it's already too late [The Collector's Eye](#) Linda S.
