Through The Dolls House Door:

Through the Dolls' House Door , **Through the Dolls' House Door** Jane Gardam,1991-03 Two girls lose interest in playing with their doll house after moving from London to Wales but the dolls in the house amuse themselves by telling stories about their exciting pasts *Six in a doll's house* E. M. Waterworth,1904 Ibsen: A Doll's House Egil Törnqvist,1995-04-27 This 1995 critical study of Ibsen s A Doll s House addresses fundamental questions of text reception and performance What is the definitive version of A Doll s House original text translation stage presentation radio version adaptation to film or television What occurs when a drama intended for recipients in one language is translated into another or when a play written for the stage is adapted for radio television or film And to what extent do differences between the media and between directorial approaches influence the meaning of the play text Discussions of these issues include an internal analysis of the dramatic text and comparative performance analysis framed by the biographical background to the play and its impact on dramas by Strindberg Shaw and O'Neill and on films by Ingmar Bergman The book concludes with a list of productions and a select bibliography **The Congregationalist** ,1920 *The Congregationalist and Advance* ,1919 **Emperor and Galilean. A dolls house. Ghosts** Henrik Ibsen,1911 **Who are We?** Joseph Bevan Braithwaite,1927 Continent ,1919 **The Congregationalist and Christian World** ,1910 **Hello Girls and Boys** David Veart,2015-02-01 Toys are fun but they are also serious business as David Veart makes clear in this remarkable story of New Zealanders and their toys from Maori voyagers to twenty first century gamers Deploying the tools of archaeology and oral history Veart in Hello Girls and Boys digs through a few centuries of pocket knives and plasticine to take us deep into the childhoods of Aotearoa under the eye of mum or running wild at the end of the orchard with a doll in the hand or an arrow in the ear memorising the rail lines of Britain or heading down to Newmarket to pick up a Modelair kitset David Veart s story is a big one about how our two peoples made their fun on the far side of the ocean Maori and Pakeha learned knucklebones from each other young Aucklanders established the largest Meccano club in the world and Fun Ho and Torro Lincoln and Luvme helped to build a successful local toy industry under the shade of import protection But this is also a story about little things and little people the Saxton family making a toy town during their voyage to Nelson in 1843 young Maurice Gee building a canoe out of road tar and corrugated iron in 1940s Henderson and the author s father firing nails at a nearby glasshouse with a giant shanghai just for fun Hello Boys and Girls covers the crazes and collecting playtimes and preoccupations of big and little New Zealand kids for generations With its memories of knucklebones and double happys golliwogs and tin canoes marbles and Meccano Tonka trucks and Buzzy Bees this is a seriously fun New Zealand toy story **Christian Advocate** ,1922 **Interior** ,1919 **A Doll's House, Men of Honour, When We Dead Awaken** Henrik Ibsen,Laura Kieler,2025-10-14 Oh be not afraid I am cast out of society but you is it not true you walk around as a man of honour What more do you want Laura Kieler Men of Honour Very few readers and audiences know that Ibsen s iconic

feminist drama *A Doll's House* was built upon the real life story of a woman called Laura Kieler who was his friend and fellow writer. Her life fell apart when *A Doll's House* came out and the world saw her deeply private life splashed across its stages. With tremendous determination and perseverance she managed to recover from the trauma that Ibsen's play caused her and channelled her pain into a successful play of her own called pointedly *Men of Honour*. The play performed in Copenhagen in 1890 caused great debate and fierce controversy. Ibsen eventually responded to her play by likewise writing a drama *When We Dead Awaken*, his final work. This new edition traces the conversation between Ibsen and Kieler through these plays across almost two decades and brings Kieler centre stage and deepens our understanding of Ibsen's *A Doll's House* and *When We Dead Awaken*. These three plays create a fascinating whole, a fusion of vantage points, contexts and visions still reverberating on and off stage today. Furthermore, the two Ibsen plays speak to each other in startling and fresh ways. This volume also explores 21st century concerns about consent and the many ways in which women in particular are still not heard.
