Separated Soul Shaene Ragan, 2016-10-06 When Feline the High Sorcerer tries to locate the spirit of his sister sorceress Porpoise he is shocked to discover that her soul has been split in two Half of her lives as an undead dark witch on the northern moors while the other is a sorceress who rises and sets with the light of Phoebe Artemis To unite the two halves of his old friend Feline must himself take on two identities and carefully weave a web of influence First he becomes a cunning cat and charms his way into the dark witch s trust He also becomes a sorcery tutor claiming to be of the vanished Elf Nation to whisper in the ear of the Moon s foster child Just as he begins to think his plan will succeed his task becomes more difficult when the two sides of Porpoise take opposite positions on the lives of the Romanized Celts and the Saxons after the Romans abandon the area With both the soul of his friend and the lives of countless mortals in the mix he must tread carefully to avoid a catastrophe To make matters worse an extraterrestrial parapsychologist begins to stalk him from the astral plane making him realize that his actions may have consequences far beyond their little island Separated Soul is grand in scale and rich in unique characters Drawing from pre Celtic mythology and history it ties the mundane and fantastical together into a complex and compelling narrative of operatic proportions
