Tiburcio Carias Thomas J. Dodd,2005-09-01 Honduras s longest serving head of government Tiburcio Car as 1876 1969 was a larger than life figure who had the air of an ordinary approachable person During his rule from 1933 to 1949 he variously employed the tactics of a liberal a conservative a constitutionalist and a dictator Modern Honduras cannot be understood without comprehending his influence In the amazingly first biography of this powerful Latin American caudillo Thomas J Dodd a former ambassador to Uruguay and to Costa Rica offers a vital riveting account of Car as s life and career Dodd shows Car as to have been a pragmatist and political survivor His regime unique in Central American and Caribbean history was neither a brutal military government nor draconian and despotic Unlike Somoza Batista Trujillo and other contemporary dictators Car as was not assassinated driven from office or exiled He completed his term stepped down and remained active in Honduran politics until his death The National Party he created remains a major political force to this day Through extensive research into his subject including correspondence with harsh critics as well as admirers Dodd achieves a balanced assessment of Car as The leader created domestic order and political and social stability when he unified his country At the same time he allowed local political chieftains and militias to remain in place His reign was part of a larger sweep of Honduran history from the 1870s to 1949 that witnessed the rise of agrarian capitalism and U S domination of the nation s primary economic resource banana exports After Car as s death thousands of Hondurans from across the ideological spectrum turned out to praise the former dictator as a restorer of peace and benefactor of the nation Dodd s superb combination of biography and political history explains Car as s rise to power and shows how the trajectory of his public career reflected the life of his country

Reinterpreting the Banana Republic Darío A. Euraque,1996 Major work focusing on Honduras northern coast challenges traditional assumption that dominant position of foreign banana companies in region precluded significant active role for local capitalists and workers New understanding emerges of military populism and other peculiar features of 20th century Honduran political history Handbook of Latin American Studies v 58

The Path to Favor Adam Gregory Fenner,2012 This dissertation examines the United States relationship with Honduran politician Tiburcio Carias Andino between 1923 when Carias became a major fixture of Honduran politics and December 8 1941 when Honduras declared war on Japan and began a new chapter in Carias s relationship with the United States Most scholarship has depicted Carias as little more than an obedient puppet controlled by the United States and the United Fruit Company the classic client dictator running the archetypical banana republic This dissertation challenges the validity of Carias s supposedly unquestioned compliance with US demands and demonstrates that Carias was an independent actor capable of using manipulating and defying the United States for his own purposes
