Stars and Keys Lee Haring, 2007-07-19 In *Stars and Keys Folktales and Creolization in the Southwest Indian Ocean* Lee Haring introduces readers to the rich folklore traditions of the islands of the southwest Indian Ocean. The culture of Madagascar, Mauritius, Seychelles, Reunion and the Comoros is a unique blend of traditions that have been brought from Africa, South Asia, Europe and the Middle East. The folktales from these islands reflect the diversity of this culture and provide a rare opportunity to observe the fluidity of traditions and the process of creolization. Haring presents the tales in a uniquely innovative style; he interrupts the text as if he were reading aloud and directly addresses the reader. His words and those of the storytellers are clearly distinguished, making this folktale collection useful to a wide range of readers and scholars.
