Time And Mind

Grenville Kleiser

Time And Mind:

Time and Mind J.J.A. Mooij,2005-02-01 This book deals with the history of a central problem in the philosophy of time Can time exist without mind or consciousness and if not in what respects Aristotle was the first to formulate this problem and it has been intensively discussed ever since This book analyses the answers and arguments and sets them in their historical context Although there have been very different approaches the book shows important continuities as well Besides being a specialist monograph it can be used in courses on the philosophy of time in general or on the realism idealism debate

Time and Mind Vol 6 BAKER JOHN,2013-03-01 Peer reviewed lively and highly interdisciplinary Time Mind presents new perspectives on landscape monuments people and culture The journal features scholarly work addressing cognitive aspects of cross related disciplines such as archaeology anthropology and psychology that can shape our understanding of archaeological sites landscapes and pre modern worldviews It also explores how modern minds create images of the past and addresses how new findings about prehistory can inspire current research on the brain and consciousness
