[The 40 Days 2 Light Challenge](#) Jason Knight,2011-02-26 In *40 Days 2 Light Challenge* A Life Transformation Guide author Jason Knight recounts both his journey from atheism to Christianity and his path from Obesity to good health While seemingly distinct stories they come together as one in the *40 Days 2 Light Challenge* Just as Jesus implored each of us to build our spiritual homes on rock not sand here we are shown the importance of building our weight loss goals on a solid foundation To not just eat less and work out more but to incorporate prayer and Bible study into our daily routine to provide us the strength and discipline necessary to succeed not just within the confines of the 40 Day Challenge but throughout the rest of our lives This book is a reminder that life transformation is much more than physical We can only truly succeed when we have help from above Portions of the proceeds from book sales will benefit a variety of ministries both local and national

Toolkit for Nutrition and Fitness Through Service-learning Julie Allington,2005
Intergenerate! Tool Kit ,2000 **Silverlight 4** Nick Lecrenski,2010-04-15 A hands on guide to Microsoft s latest rich application development technology *Silverlight 4* *Silverlight 4* is the newest version of the rich Internet application toolkit that provides support for NET capabilities over the Internet With this latest release of *Silverlight* Microsoft has revolutionized the way that Web applications can be created This book uses the popular Problem Design Solution strategy to demonstrate how to harness the power and abilities of *Silverlight 4* to add value to the overall user experience of a Web site

Using a Web site created by the author as a reference point you'll go through the steps of creating a live fully functional application for the Web using Silverlight 4 and the Silverlight Control Toolkit. Along the way the book addresses important design considerations such as the use of Web Services and the SQL Server database. Uses the popular Problem Design Solution format to show you how to harness the power of the latest version of Silverlight. Microsoft's rich Internet application toolkit puts the author's own Web site to task as you learn to create rich user interfaces that integrate video, HTML, and social networking components. Explains system linking and data flow. End user interface system architecture based on Silverlight 4 and .NET 4 and more. Includes coverage on integrating social networking and Facebook. With this book you'll quickly get started using the new features of Silverlight 4 to enhance the user experience of a Web site. Note: CD, ROM, DVD, and other supplementary materials are not included as part of eBook file.

Geriatric Rheumatology Yuri Nakasato, Raymond L.

Yung, 2011-06-01. The first book dedicated explicitly to the care of elderly patients with rheumatic diseases, this comprehensive resource is a practical guide for navigating the medical concerns of these complex patients. While patients over 65 years of age comprise roughly 15% of the population, they consume about 50% of rheumatology resources. This book presents current clinical practices with an eye toward achieving economically sustainable models of care. The world's leading authorities have come together to cover the full spectrum of rheumatic diseases: the immune system in aging and ultrasound evaluation and arthrocentesis. The book also addresses the milieu of comorbidities that the clinician may encounter with an older patient, as well as the accompanying concerns about multiple pharmacologic therapies and drug interactions. Bringing in experts from a wide array of subspecialties, the editors present the essentials of multidisciplinary care, an approach which is the hallmark of geriatrics and which naturally translates into the field of gerontorheumatology. Designed for primary care physicians and rheumatology consultants, *Geriatric Rheumatology* is an invaluable guide to caring for this rapidly growing patient population.
