The World is Your Oyster Mick Rutjes, 2024-01-08 Do you dream of travelling the world? Maybe it's a dream with no future date of realisation. Or maybe it's a dream that you know will come to fruition this year. However you look at this desire to travel, reading this book will change everything. Travelling to 27 countries and developing a lifestyle of constant travel at age 21 without having a university degree is extraordinary to many people around me. To me, it has always been normal. It was just the way I did things. In the past three years, I bought plane tickets to countries in Europe for 25 or 14 at most. I stayed in hostels without having to pay for the room and have been gifted trips to extraordinary parts of the world, all for free. I even created opportunities for myself to visit tours, temples, events, or other activities that require payment for free. It was only when a coach asked me how I managed to travel so easily and cheaply that I realized that I am doing something extraordinary. There is a quality that every world traveller, digital nomad, travel influencer, or travel coach has in common. Reading this book will transfer that exact quality onto you, so you can start living a life that feels like a never-ending vacation for free. In this book, you will learn:

- The nine major discoveries that simplified the creation of my perfect vacation lifestyle.
- How to travel the world safely and confidently.
- How to discover the most amazing places on earth and visit them for free.
- How to prepare yourself for a backpacking adventure, as well as what tools, websites, or apps to use.
- How to find the money to travel the world on your terms AND how to travel the world for free.
- How to meet people when solo travelling and network with awesome fellow adventurers.
- How to start travelling this afternoon.
