## **Treasured One:**

**The Treasured One** David Eddings, Leigh Eddings, 2007-10-15 Flush from their narrow victory over the horrific Vlagh Longbow and his companions are drawn to a pastoral territory in south Dhrall confident that they will thwart the next assault by their inhuman foe But on the border of the Wasteland the Vlagh is breeding a monstrous new army of venomous bat bugs and armored spiders These grotesque legions threaten to overwhelm the allies who are further shocked by a prophecy delivered by the Dreamers an invasion by a new second army A force of armed acolytes approaches to plunder this unspoiled land in a global holy war Now farmers and hunters soldiers and madmen mortals and gods all charge to a battle that will decide the fate of the world

**The Stone Soup Experiment** Deborah Downing, 2015-10-26 The Stone Soup Experiment is a remarkable story of cultural difference of in groups out groups and how quickly and strongly the lines between them are drawn It is also a story about simulation and reality and how quickly the lines between them can be dismantled In a compulsively readable account Deborah Downing Wilson details a ten week project in which forty university students were split into two different simulated cultures the carefree Stoners and the market driven Traders Through their eyes we are granted intimate access to the very foundations of human society how group identities are formed and what happens when opposing ones come into contact The experience of the Stoners and Traders is a profound testament to human sociality Even in the form of simulation even as a game the participants found themselves quickly and with real conviction bound to the ideologies and practices of their in group The Stoners enjoyed their days lounging chatting and making crafts while the Traders through a complex market of playing cards competed for the highest bankrolls When they came into contact misunderstanding competition and even manipulation prevailed to the point that each group became so convinced of its own superiority that even after the simulation s end the students could not reconcile Throughout her riveting narrative Downing Wilson interweaves fascinating discussions on the importance of play emotions and intergroup interaction in the formation and maintenance of group identities as well as on the dynamic social processes at work when different cultural groups interact A fascinating account of social experimentation the book paints a vivid portrait of our deepest social tendencies and the powers they have over how we make friends and enemies alike

*The Spirit-Baptized Church* Frank D. Macchia, 2020-04-16 Frank D Macchia argues that the Son of God baptized and continues to baptize humanity in the Spirit by pouring forth the Spirit on the Day of Pentecost All four Gospels and the book of Acts describe how the Son is sent of the Father and empowered by the Spirit to fulfil this mission Macchia in turn claims that Christ succeeds by incorporating others into himself and into the love of the Father The Spirit Baptized Church proposes a richly pneumatological ecclesiology that is dominated by a Pentecostal confessional concern while also open to a larger ecumenical conversation The volume focuses not only on the dogmatic Trinitarian foundations and election processes of the Spirit baptized church but also on its marks and witnessing practices As an exceptionally detailed

study of the Spirit baptismal metaphor this volume is a valuable resource for scholars of ecclesiology Pentecostalism and systematic theology
