Treasures Of Britain:

The National Union Catalogs, 1963- ,1964 The Mythology of the British Islands Charles Squire,1905 Celtic Myth and Arthurian Romance Roger Sherman Loomis,1926 Catalogue of the Library of the National Gallery of Canada National Gallery of Canada. Library,1973 The Hoxne Treasure Roger Bland,Catherine Johns,1993 The Hoxne hoard is one of the richest Roman treasures ever to have been discovered The 14 780 coins and 200 gold and silver objects were found in a field in Suffolk in 1992 and excavated by the Suffolk Archaeological Unit This book is a full illustrated introduction to this early 5th century treasure **Hunting Hidden Treasures** Harold Tom Wilkins,1929 Discusses legendary and historical discoveries of treasure on land and under water The Publishers Weekly ,1911 AA Treasures of Britain Automobile Association (Great Britain) Staff,2005-10 This is an extensive guide to over 2 000 places featuring the country s best architecture art and natural beauty The book includes a varied collection of interest from castles and abbeys to museums and art collections With full colour photographs throughout this is an ideal gift as a family reference or a treat for both historians and enthusiasts alike It provides a detailed introduction on the history literature art and architecture of Britain Beautifully bound including a silken marker ribbon to help you keep your place It also includes a 19 page map section to help you plan trips to the places featured Treasures of Britain and Treasures of Ireland Automobile Association (Great Britain),1976 The Arthurian Quest Amber Wolfe,2002-09 An examination of the legend of Camelot which draws on mythological cultural historical and psychological information to reveal how Arthurian myth can be used for personal transformation

26 Treasures John Simmons,2012-09-13 Imagine you re in a museum You might spot a gargantuan four poster bed that was a 16th century pub tourist attraction or a threadbare sackcloth robe worn in church by a 17th century adulteress Yet despite their rarity we often fail to engage with these extraordinary objects We simply nod and move on But it doesn t have to be that way Through its 26 Treasures project writers collective 26 is exploring how to create emotional connections between objects and individuals In 2010 London s Victoria Albert museum chose 26 objects from its British Galleries and randomly assigned them to 26 writers Each person wrote exactly 62 words 26 in reflection in response to the object The results were beautiful surprising lyrical sometimes comical Andrew Motion wrote about a bust of Homer a 17th century Chinese porcelain figure reminded a writer of a pub landlord in Inverness while the wedding suit of James 11 inspired 62 words about a suit as full of scratches as a rose garden In 2011 they took the idea to the National Library of Wales the Ulster Museum and the National Museum of Scotland where writers were let loose on objects as disparate as a mediaeval illuminated book a beggar s badge and a 16th century Scottish guillotine It seems that all writers and readers treasure connections with the past through objects personal ones and those displayed in museums There are more than a hundred writers involved in this collection including many of the best known literary authors in England Scotland Wales and Northern Ireland The result is an exquisite illustrated book where the 104 objects and their accompanying studies appear side by side **Britain's New**

Colony E. Clarke, 1878 **A Public Empire** Ekaterina Pravilova, 2018-05-22 Property rights and Russia do not usually belong in the same sentence Rather our general image of the nation is of insecurity of private ownership and defenselessness in the face of the state Many scholars have attributed Russia's long term development problems to a failure to advance property rights for the modern age and blamed Russian intellectuals for their indifference to the issues of ownership A Public Empire refutes this widely shared conventional wisdom and analyzes the emergence of Russian property regimes from the time of Catherine the Great through World War I and the revolutions of 1917 Most importantly A Public Empire shows the emergence of the new practices of owning public things in imperial Russia and the attempts of Russian intellectuals to reconcile the security of property with the ideals of the common good The book analyzes how the belief that certain objects rivers forests minerals historical monuments icons and Russian literary classics should accede to some kind of public status developed in Russia in the mid nineteenth century Professional experts and liberal politicians advocated for a property reform that aimed at exempting public things from private ownership while the tsars and the imperial government employed the rhetoric of protecting the sanctity of private property and resisted attempts at its limitation Exploring the Russian ways of thinking about property A Public Empire looks at problems of state reform and the formation of civil society which as the book argues should be rethought as a process of constructing the public through the reform of property rights Catalog of Printed Books of the Folger Shakespeare Library, Washington, D. C. : First Supplement Folger Shakespeare Library, 1976
 Everyman , 1913 *Catalogue of the Collection of Pictures, Works of Art and Decorative Objects, the Property of His Grace The Duke of Hamilton, K.T., Wich Will be Sold by Auction by Messrs.
