Treasures For The Heart:

Treasures of the Heart Theckedath Mathew,2003-08 Treasures of the Heart Donna Christopher,2020-12-18 The stories and poems contained in the book Treasures of the Heart are true stories In some way they all are tied to Jesus or about Him Making these stories very special So special that I hold them in my heart Which brings the verse of Matthew 6 21 to mind for where your treasure is there will your heart be also KJV That is how the title Treasures of the Heart came to be

Treasures of the Heart Maryanne Colter,2016-12-15 When I got back home I dug out my old Bible and dusted it off I remember tossing it down on our little kitchen table and saying out loud to myself Now I will find out just exactly what God has to say about everything I devoured that Bible I couldnt stop reading And when I was done the first time I started again a second time God was telling me exactly what he had to say about everything And everything my sister had said was true And so so so much more Ive long since asked my sister to forgive me for my ignorance that day Poems and psalms began to fill my heart and mind and as they did I wrote them down Its been almost six years since that day and God has had me write many poems and psalms in those years Each one is from my heart and portrays a moment of time in my life Its only a book of poetry but how it bares the soul of the poet For out of the mouth flow the treasures of the heart **Treasures of the Heart**

Melinda Blair,2013-10 The entire process of the compilation of Treasures of the Heart has been the most amazing adventure Every message was solely inspired by God and each photo is a gift from Him There is no way I could dedicate this book to anyone else but God because without Him it would have never happened I was simply the vessel that He chose to convey the messages So in all honesty I cannot say that I wrote this book God did He is my everything and the reason that my life is a daily celebration Every day is a once in a lifetime opportunity and we can choose to embrace it or waste it Realizing the fact that the Shepherd desires an intimate relationship with us and then responding to that is the only source of complete joy and peace The hands of the Shepherd that we all have scarred will always pick us up when we deserve it the least and need it the most God was showing me His presence for many years but I was not aware of it My eyes were focused on me and what I was doing When I became desperate for Him my life completely changed and I actually expect something remarkable to happen each and every day I jokingly tell others that I am God s favorite Even though I understand that we all are His favorites I believe that He personally desires for us to crave that personal attention One thing I often say is Jesus is all up in my business and I like it like that He delights in adding abundant treasures and unique touches to our daily walk and He has proved to me that the more we gather and share the sparkle the more we receive That s a promise **Treasures from the Heart** Beverly M.
