Hidden Treasures in the Declaration of Independence James Carlson,2025-06-07 The history of ideas that led to the Declaration of Independence is one that took centuries to develop Thomas Jefferson and his compatriots shared the values and principles written in the Declaration as they lived them to their fullest in their personal lives They sincerely dedicated their lives fortunes and sacred honor to build a new country based upon the high ideals they carried in their hearts and minds Human Rights was the number one priority for the Founding Fathers These Rights were not mere philosophy they were a concrete reality for every human being They understood that our Rights came from God and not man nor the state They also understood our moral responsibility to do what is right with each Right God gave us They had no problem with the idea that there is no Right to do what is wrong They were of the generation who believed they had a Right to do what was right in the sight of God this is called the Patriot s Dream Among our basic human Rights is the idea of religious freedom This was a fundamental Right that was central to the mind of all Americans at the time the Declaration was drafted and signed Any discussion on the Declaration of Independence would be incomplete without a conversation about America s founding upon religious freedom The Declaration of Independence has led many nations to abandon tyranny in favor of free and independent republics This book uncovers hidden treasures that you will find apply to your own lives as well as to the foundation of our great nation The Declaration of Independence helped make America great and it can help Make America Great Again MAGA **Treasure Map** Richard Hamilton,2015-02-09 A peek at the gifts the Greeks offered to their gods
