Tree House Island:

The Secret Island and the Enticing Flame Edwin A. Cranston, 2010-03-31 The three essays in this book draw on the translator's work on love poetry classical waka and the tanka of Yosano Akiko 1878-1942 but also introduce the prose poems and free verse of a contemporary surrealist poet Mizuno Ruriko whose themes are childhood and the loss of innocence The Secret Island and the Enticing Flame shows the translator of poetry experimenting with three different ways to present the results of his craft In the Dark of the Year is an essay in sequencing Cranston arranges translations of fifty love poems in the tanka form ranging from the ancient chronicle Kojiki to the contemporary poet Tawara Machi in an examination of desire melancholy and despair The arrangement inspired by the technique of association and progression suggests an ongoing love story and limns the essence of the classical love tradition Young Akiko The Literary Debut of Yosano Akiko 1878-1942 adopts a biographical approach Richly documented with the astonishing tanka of the young poet who burst on the literary scene in 1900 this essay updates the author's article originally published in 1977 in Literature East and West Finally the longest essay The Dark at the Bottom of the Dish Fishing for Myth in the Poetry of Mizuno Ruriko shows Cranston working outside his usual box on the poems of a contemporary surrealist whose deepest themes are childhood and loss of innocence Mizuno hitherto not well known outside Japan is a master of the prose poem and free verse Cranston's essay shows the translator searching for the mysterious power that draws him to a poetry quite different from any on which he has previously worked

Bahama Red Sari Lantana,2015-08-31 Come along for the ride during the turbulent times in the 1970 s in Miami and the Bahamas when former innocent Bahama Red operated her skin diving charter boat business from Miami to the Bahamas Bahama Red Intrigue on the High Seas definitely promises a thrilling ride through reckless and frenzied times when drug runners were rampant and Miami was a wide open lawless town While Bahama Red s virtue was corroded at times and became somewhat tarnished when she skirted the law she valiantly attempted to avoid the wantonness and rashness of the times Become immersed in the story to feel the sense of adventure and excitement course through the characters veins The unique and captivating characters will enthrall all who expect a good time This is about Bahama Red s operation of the business her encounters with smugglers deaths and tragedies and stories about the people encountered on the boat docks on the waters and in her life The book also chronicles the upheaval of the race riots in Miami and the facts surrounding the Mariel Boatlift of refugees from Cuba to Miami in which she was involved It is also a testimony of the factors that can eventually erode a business and its owner like an insidious drop of water over time can gradually wear down a rock Watch as Bahama Red fights this erosion by plunging forth into a new and promising future Swallow this story in greedy gulps when facing the challenge of believing some of the incidents that occurred But it is guaranteed that this story will prove to be intoxicating to all Dive in
