

Tree Worship

Edward Burnett Tylor

Tree Worship:

People Trees David L. Haberman, 2013-04-25 This is a book about religious conceptions of trees within the cultural world of tree worship at the tree shrines of northern India. Sacred trees have been worshipped for millennia in India and today tree worship continues there among all segments of society. In the past tree worship was regarded by many Western anthropologists and scholars of religion as a prime example of childish animism or decadent popular religion. More recently this aspect of world religious cultures is almost completely ignored in the theoretical concerns of the day. David Haberman hopes to demonstrate that by seriously investigating the world of Indian tree worship we can learn much about not only this prominent feature of the landscape of South Asian religion but also something about the cultural construction of nature as well as religion overall. The title *People Trees* relates to the content of this book in at least six ways. First although other sacred trees are examined the pipal arguably the most sacred tree in India receives the greatest attention in this study. The Hindi word pipal is pronounced similarly to the English word people. Second the personhood of trees is a commonly accepted notion in India. Haberman was often told "This tree is a person just like you and me." Third this is not a study of isolated trees in some remote wilderness area but rather a study of trees in densely populated urban environments. This is a study of trees who live with people and people who live with trees. Fourth the trees examined in this book have been planted and nurtured by people for many centuries. They seem to have benefited from human cultivation and flourished in environments managed by humans. Fifth the book involves an examination of the human experience of trees of the relationship between people and trees. Haberman is interested in people's sense of trees. And finally the trees located in the neighborhood tree shrines of northern India are not controlled by a professional or elite class of priests. Common people have direct access to them and are free to worship them in their own way. They are part of the people's religion. Haberman hopes that this book will help readers expand their sense of the possible relationships that exist between humans and trees. By broadening our understanding of this relationship he says we may begin to think differently of the value of trees and the impact of deforestation and other human threats to trees.

Tree Worship in Ancient India Binod Chandra Sinha, 1979

The Sacred Tree J. H. Philpot, The reader is requested to bear in mind that this volume lays no claim to scholarship independent research or originality of view. Its aim has been to select and collate from sources not always easily accessible to the general reader certain facts and conclusions bearing upon a subject of acknowledged interest. In so dealing with one of the many modes of primitive religion it is perhaps inevitable that the writer should seem to exaggerate its importance and in isolating a given series of data to undervalue the significance of the parallel facts from which they are severed. It is undeniable that the worship of the spirit inhabited tree has usually if not always been linked with and in many cases overshadowed by other cults that sun, moon, and stars, sacred springs and stones, holy mountains and animals of the most diverse kind have all been approached with singular impartiality by primitive man as enshrining or symbolising a divine principle. But no other form of

pagan ritual has been so widely distributed has left behind it such persistent traces or appeals so closely to modern sympathies as the worship of the tree of none is the study better calculated to throw light on the dark ways of primitive thought or to arouse general interest in a branch of research which is as vigorous and fruitful as it is new For these reasons in spite of obvious disadvantages its separate treatment has seemed to the writer to be completely justifiable **The Sacred Tree, Or, The Tree in Religion and Myth** Mrs. J. H. Philpot,1897 **Primitive Culture** Edward Burnett Tylor,1874 *The Evolution of the Hebrew People and Their Influence on Civilization* Laura Hulda Wild,1917 *Popular Science*,1893-02 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Brill's Companion to Classics and Early Anthropology Emily Varto,2018-07-17 The chapters in Brill s Companion to Classics and Early Anthropology explore key points of interaction between classics and anthropology from the eighteenth to the mid twentieth century Ancient Greece and Rome played varying roles in early anthropological thinking from the observations of colonial officials and missionaries through the ethnography and evolutionary ethnology of the late nineteenth century and into the professionalized social sciences of the twentieth century The chapters illuminate these roles and uncover an intellectual history of fission and fusion exposing common interests and opposing methodologies shared theories and conflicting datasets close collaborations and adversarial estrangements In augmenting and reevaluating this history the volume offers a new and nuanced picture of the early formative relationship between the two disciplines **The Freethinker**,1897 **Tree Worship** J. H. Philpot,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Primitive Culture, Researches Into the Development of Mythology, Philosophy, Religion, Language, Art, and Custom Edward Burnett Tylor,1920 Primitive Culture Sir Edward Burnett Tylor,1891 **A COMPARATIVE STUDY OF ALTAIC MYTHOLOGIES IN CHINA** G. Namjil,Wang Ruli,2023-08-28 Lending support to the search for the roots of the Altaic language family and pushing forward the field of Altaic mythologies and related topics this comprehensive study of the early beliefs of China s Altaic peoples is the first thorough systematic academic treatment in this as yet underdeveloped research field While discussing nine types of Altaic mythologies A Comparative Study of Altaic Mythologies in China uses primary sources in several languages to explore Altaic myths origins development over centuries lineage relationships and external influences For this purpose it compares the mythologies of various ethnic groups within the Altaic language family Altaic mythologies with those of other cross language and cross cultural ethnic groups having direct indirect or even no cultural exchanges with them in history as well as Altaic mythologies with folklore religion and other interdisciplinary

domains of Altaic Studies by applying the theories and methods of comparative literature studies comparative folklore studies and comparative mythology to a vast collection of mythological materials As wide ranging as it is deeply researched this serious exploration of Altaic Studies breaks the boundaries of the previously closed research model expands theoretical horizons broadens the research scope introduces a new mechanism for understanding myths and co cultures of the Altaic language family and offers insight toward the reconstruction of Proto Altaic Mythology

The Humboldt Library of Science ,1885 **Empire Forestry** ,1922 *The Expository Times* James Hastings,Ann Wilson Hastings,Edward Hastings,1903 *Cultus Arborum: A Descriptive Account of Phallic Tree Worship* Anonymous,2022-07-31 In *Cultus Arborum A Descriptive Account of Phallic Tree Worship* the anonymous author delves into the intricate relationship between nature fertility and spirituality across various cultures The book is richly textured employing a blend of anthropological observation and historical context providing a critical exploration of phallic symbolism as it is interwoven with tree worship The prose is both evocative and scholarly encouraging readers to consider the broader implications of nature based rituals and their socio religious significance This exploration is situated within a wider context of polytheistic beliefs and ancient rites offering profound insights into the continuation of these practices into contemporary spirituality The author s anonymity adds an intriguing layer to the work evoking the tradition of oral storytelling and representing a collective voice that examines the often marginalized aspects of cultural practices Esteemed in academic circles the author may be influenced by a background in anthropology or religious studies allowing a deep understanding of the dynamics between power fertility and natural symbols in human societies *Cultus Arborum* is a compelling read for scholars students and enthusiasts of anthropology religious studies and cultural history This book offers a unique perspective on how ancient beliefs persist in modern spirituality and encourages readers to reflect on the enduring power of nature in human consciousness

Fetichism Fritz Schultze,1885 **Dr. William Smith's Dictionary of the Bible** William Smith,1888 [American Forestry](#) ,1911
