Principles of Ashtakvarg Arun Bansal, Our ancient sages Rishis have introduced such a fine method in Horashastra that can help us find out the benignity and malignity of planets and their influence on the life of mankind They produced a system that can be helpful in finding out the lines and points The system is called Ashtakavarga By this system it is easy to find the good and evil effects of the deeds of a man Even a learned and well educated astrologer cannot attain the desired success without the knowledge of Ashtakavarga It is not possible to find out the benefic and malefic results caused due to the merits and demerits of the horoscope of a person without the knowledge of Ashtakavarg The author of this book had started studying the system some twenty years back and came to the conclusion that there is no system better than this that could make an accurate prediction By Ashtakavarga all the malefic and benefic outcome of the deeds of a man can be found out scientifically With the help of this system a minute prediction can be cast A fine theory of the relation between individual and society is applicable on this system There can be some differences on the results predicted by Vimshothari and transit on the basis of planets and houses on signs and ascendants In these circumstances how can a true prediction be made That is why the ancient astrologers have advised to use the Ashtakavarga system It is very hard to find out the effects time and nature of a planet by the common theories of Falit but by this system this is possible For instance a planet will enhance the influence related to its own house if it is conjoined with or aspected by benefic planets while situated in own exalted or friendly sign This is a widely accepted theory But the question is what enhancement will take place in the sphere of the said aspect by that

particular planet i e what will be the ratio of the benefic and malefic results It is in this regard that the Ashtakavarga system is considered to be very authentic and decisive With its help prediction regarding the ratio of gains auspicious directions gains from brothers results of planets in transit etc and the age wealth education wisdom relation between husband and wife happiness property land vehicle and deeds of a man can be made easily *The Many Faced Jewel, vol. 1, Traditional Witchcraft* Frater Sabellicus, John Madziarczyk, 2024-05-01 The Many Faced Jewel deals with the primal transcendental reality of the witches Sabbat It outlines how the individual can hook into this reality as well as how this basic reality has been recognized by a variety of mystical religious traditions throughout the ages These include Christian Gnostic Islamic and Pagan mysticism It examines the fundamental unity between these esoteric traditions based on their partaking of the Primal Vision of the Sabbat Next it looks at 19th century influences on 20th century traditional witchcraft This includes themes such as the megalithic tradition in Europe Gerald Massey s work the concept of the Cabiri and Neo Druidism It documents an example of the influence of Freemasonry on the Craft Finally it presents practical instructions and theory These include treatments of the thought of Austin Osman Spare and Andrew Chumbley It includes a grimoire with cosmology descriptions of gods advice on ritual as well as a ritual framework It also contains a treatment of the Toadstone in relation to the Sabbat and witchcraft and outlines a system of esoteric anatomy and practice The Many Faced Jewel complements The Magicians Discovered volumes 1 and 3 and clarifies and deepens themes in these works relating them to traditional witchcraft
