The Fox:

The Fox: Fox Hunt Mark Waid, Dean Haspiel, 2018-09-11 THE FOX FOX HUNT is the clever darkly humorous story of The Fox a father and vigilante hero trying to keep his family alive and together Plotted and illustrated by acclaimed Emmy winning artist Dean Haspiel and scripted by Eisner Award winning comics legend Mark Waid The Fox is similar in tone to Waid's DAREDEVIL Paul Patton Jr dealing with the reality that his son wants to be like his father a superhero the very thing Paul no longer wishes to be himself However a psychopathic philanthropist won't let Paul end his dual identity when he puts a million dollar bounty on The Fox's head for messing with his business plans Attracting a slew of super villains The Fox has to find a way to survive their attacks and save his son from a life fighting crime while coming to except his true calling

The Wolf and the Fox Brothers Grimm, 2020-09-30 The wolf and the fox were into some type of agreement which is hardly called friendship The wolf needed the fox's help to get food because every time he tried to snatch something people would beat him to death One day he decided to sneak into a cellar where he could eat salted meat all he wanted He took the fox with him to make sure that nothing would go wrong Is the fox to be trusted however Will he help the wolf out or he will leave him to the will of fate Children and adults alike immerse yourselves into Grimm's world of folktales and legends Come discover the little known tales and treasured classics in this collection of 200 fairytales Brothers Grimm are probably the best known storytellers in the world Some of their most popular fairy tales are Cinderella Beauty and the Beast and Little Red Riding Hood and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel Rapunzel and Snow White Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends Their collections have been translated into all European languages in their lifetime and into every living language today

From the Deer to the Fox Mandy de Belin, 2013-09-01 Between the 17th and 19th centuries the sport of hunting was transformed the principal prey changed from deer to fox and the methods of pursuit were revolutionized Questioning the traditional explanation of the hunting transition namely that change in the landscape led to a decline of the deer population this book explores the terrain of Northamptonshire during that time period and seeks alternative justifications Arguing that the many changes that hunting underwent in England were directly related to the transformation of the hunting horse this in depth account demonstrates how the near thoroughbred horse became the mount of choice for those who hunted in the
