The New Testament Deacon Study Guide:

The New Testament Deacon Alexander Strauch,1992 The author's goal is to help Christians understand the necessity for and vital importance of New Testament deacons to the local church so that the needy poor and suffering of our churches are cared for in a thoroughly Christian manner

The New Testament Deacon Alexander Strauch,1992 **Deacon Training** Kate Ward-Turner,2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor

Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons *SCM Studyguide: Theology in the Contemporary World* Ben Pugh,2017-10-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry

SCM Studyguide: Catholic Liturgy Peter McGrail,Martin Foster,2018-10-31 Written by liturgists pastoral and academic who make up the Liturgical Formation Sub Committee of the Department for Christian Life and Worship of the Roman Catholic Bishops Conference of England and Wales this studyguide offers an introduction to Catholic Liturgy Covering the history content and debates around the use of liturgy in the Catholic church each chapter includes points for reflection end of chapter questions and an indication of further reading A book wide glossary is also provided

SCM Studyguide: Biblical Hermeneutics David Holgate,Rachel Starr,2019-09-30 The SCM Studyguide Biblical Hermeneutics offers entry level undergraduates a framework for interpreting the Bible The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves As such it features pedagogical tools such as Try it Out boxes to assist students to develop a tested and thought through overall interpretative strategy of their own This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness integrity

and faithfulness Table of contents Acknowledgements Introduction 1 Where Do We Want to Go 2 Past Experience and Present Expectations 3 Tools for Exegesis 4 Our Reality 5 Committed Readings 6 Enabling Dialogue with the Text 7 Our Goal Life Affirming Interpretations Summary of the Interpretative Process References and Further Reading Index of Biblical References Index of Names Index of Subjects

Tangible Christopher Sicks,2014-02-27 In today s church there seems to be two well intentioned groups Deed people feed the hungry and help the poor while Word people proclaim the gospel and engage in apologetics The two often seem to compete with one another but God always intended them to be partners Sacrificial love can grab the attention of those we serve opening their ears and minds to the words we share In Tangible author and Pastor Chris Sicks explains how God s people can effectively introduce hurting people to God through intentional acts of kindness This book does more than discuss these good ideas It s full of ways to make God known to the needy in your community today Extra features include A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy God s people will reflect Christ s love the most tangible proof of God s existence
