**Contemporary Immigration in America** Kathleen R. Arnold, 2015-02-03 State and local immigration issues and policies for all 50 states are thoroughly examined in this unique up to date and accessibly written encyclopedia Immigration continues to be a timely and often controversial subject particularly regarding legislation at the state level While many books cover U S immigration both historical and contemporary few if any reference works examine the role of contemporary immigration in individual states This two volume encyclopedia fills that gap Chapters address legal social political and cultural issues of immigrant groups on a state by state basis and explore immigration trends and issues faced by individual ethnic populations The encyclopedia will enable students to research the impact contributions and issues of immigration for each state to make comparisons between states and regions of the United States and to understand state versus national policies By combining the history of immigration policy with current information the work shows readers that many of the issues making news today are the same as those the nation dealt with in past decades Studying state and local dynamics provide a unique perspective on this history

**Prince's Minneapolis** Rashad Shabazz, 2026-02-17 When nineteen year old Prince took the stage to perform I Wanna Be Your Lover on American Bandstand those who watched couldn t reconcile how Prince s funky disco pop sounds had hailed from a place like Minneapolis But the Minneapolis Sound Prince s signature pop musical fusion of funk R B rock punk and new wave did not emerge from a vacuum The place and space of Minneapolis shaped the musical ecosystem that made Prince famous And in turn a complex array of social forces shaped the city s soundscape An expert on place race and culture geographer Rashad Shabazz reveals the hidden history of the Minneapolis Sound Prince and Prince s beloved city More than a biography of Prince this is a biography of the city and the world of sound from which Prince emerged Shabazz traces the history of the Minneapolis Sound alongside the city s history from colonial contact through periods of Indigenous removal white settlement mass migration industrialization music education suburbanization and systemic racism This complex history combined with the exceptional talent cultivated in Minneapolis s small Black communities gave rise to a groundbreaking genre the otherworldly legend that was Prince and music that captivated the world

[The Politics of Equality](#) Timothy Nels Thurber, 1999 Timothy N Thurber explores the links between Senator Hubert Humphrey s policies on racial justice and

economic reform Thurber investigates Humphrey's legislative agenda in the context of the tensions between the class based politics of the New Deal to which Humphrey wished the party to return and the rights based politics that eventually came to dominate the Democratic platform Although Humphrey is often associated with the civil rights movement Thurber shows that he stood out in his commitment to achieving racial equality through means of economic reform an approach that was not readily embraced by the Democratic Party Thurber begins by tracing Humphrey's early life and goes on to detail the rise of his political career his lifelong commitment to the New Deal goal of economic equality and his legislative agenda as a senator From the Fair Employment Practices law to the triumphant passage of the 1964 Civil Rights Act to more radical recommendations such as a Domestic Marshall Plan Humphrey became concerned with how structural changes in the economy effected African Americans Thurber uses Humphrey's career not only to explore the intersection of race class and politics in the second half of this century but also to reveal the trajectory of Democratic politics in the postwar era as the party faced the increasingly difficult task of maintaining the New Deal coalition Hubert Humphrey's agenda of racial justice through economic reform its triumphs and its failures represents for Thurber the precarious position of liberalism and a road still not taken
