Thirteen Steps Down Ruth Rendell, 2010-04-23 From the multi award winning author of *The Babes in the Wood* and *The Rottweiler* a chilling new novel about obsession superstition and violence set in Rendell's darkly atmospheric London Mix Cellini which he pronounces with an S rather than a C is superstitious about the number 13 In musty old St Blaise House where he is the lodger there are thirteen steps down to the landing below his rooms which he keeps spick and span His elderly landlady Gwendolen Chawcer was born in St Blaise House and lives her life almost exclusively through her library of books so cannot see the decay and neglect around her The Notting Hill neighbourhood has changed radically over the last fifty years and 10 Rillington Place where the notorious John Christie committed a series of foul murders has been torn down Mix is obsessed with the life of Christie and his small library is composed entirely of books on the subject He has also developed a passion for a beautiful model who lives nearby a woman who would not look at him twice Both landlady and lodger inhabit weird worlds of their own But when reality intrudes into Mix's life a long pent up violence explodes 13

Rendell, 2010-07-16 The award winning author of *The Babes in the Wood* and *The Rottweiler* brings us another terrifically paced richly drawn novel of suspense and psychological intrigue Weeks went by when Ismay never thought of it at all Then something would bring it back or it would return in a dream The dream always began in the same way She and her mother would be climbing the stairs following Heather's lead through the bedroom to what was on the other side not a bathroom in the dream but a chamber floored and walled in marble In the middle of it was a glassy lake The white thing in the water floated towards her its face submerged and her mother said absurdly Don't look The dead man was Ismay's stepfather Guy Now nine years on she and her sister Heather still live in the same house in Clapham But it has been divided into two self contained flats Their mother had lived upstairs with her sister Pamela And the bathroom where Guy had drowned had disappeared Ismay worked in public relations and Heather in catering They got on well They always had They never discussed the changes to the house still less what had happened that August day But even lives as private as these where secrets hang in the air like dust intertwine with other worlds and other individuals And with painful inevitability the truth will

Moreaux, 2007-12 Many people think that they do not need a book on how to write a really bad grant application they already know how Actually this book is intended as a guide to writing grant applications that will get funded One way to write a good grant application is to avoid writing a bad one This book analyzes bad scientific grant applications from a humorous perspective There are also some sections on obtaining funding from private foundations and industry and a few parts that are pure silliness All pieces in this book are original and are either fiction the humor pieces or non fiction the serious advice The reader will hopefully be able to tell the two apart

Not in the Flesh Ruth Rendell, 2010-03-14 From award winning author Ruth Rendell without a doubt the grand dame of British crime fiction *The Gazette* comes the chilling new Inspector Wexford novel Searching for truffles in a wood a man and his dog unearth something less savoury a human hand The body as Chief Inspector Wexford is informed later has lain buried for ten years or so wrapped in a purple cotton shroud The post mortem cannot reveal the precise cause of death The only clue is a crack in one of the dead man s ribs Although the police database covers a relatively short period of time it stores a long list of Missing Persons Men women and children disappear at an alarming rate hundreds every day So Wexford knows he is going to have a job on his hands to identify the corpse And then only about twenty yards away from the woodland burial site in the cellar of a disused cottage another body is discovered The detection skills of Wexford Burden and the other investigating officers of the Kingsmarkham Police Force are tested to the utmost to see if the murders are connected and to track down whoever is responsible
