Those Who Worked:

Trauma Informed Support and Supervision for Those Working with Children at Risk Fiona Oates, 2026-03-12 Working with at risk children and their families is trauma laden in nature making exposure to occupational trauma a professional inevitability Child protection systems around the world have consistently been found to struggle with providing adequate quality supervision to practitioners within their workforce leading to high rates of practitioner turnover This book has been written in response to the lack of trauma informed supervision models designed to support practitioners working in trauma laden environments It introduces professionals to the Trauma Informed Support and Supervision TISS model including all the elements that underpin the framework Readers will be guided through a series of activities throughout the book preparing them to design and implement their own TISS plan in their own occupational setting Case studies and vignettes are included as teaching tools within chapters Catering to both frontline practitioners and line supervisors and managers the TISS model normalises the experience of occupational traumatic stress and offers a preventative model of care and support as well as a guide to support practitioners post exposure It will be of interest to all professionals who work with at risk children and their families including social workers psychologists nurses healthcare professionals teachers and other education professionals counsellors youth justice workers lawyers and paralegals family support and domestic and family violence practitioners housing and homelessness workers as well as programme delivery professionals

Manual of Field Works (all Arms) Great Britain. War Office, 1925 **Discrimination in Football** Christos Kassimeris, 2021-05-17 While football does not generate discriminatory behaviour it often replicates the very same social issues that concern any given society Evidently football has witnessed an alarming increase in the number of disturbing incidents on the grounds of racism ethnocentrism sectarianism homophobia and sexism Given the variety of forms that discrimination can take it is imperative that football addresses with effect all such anti social phenomena in order to continue to promote notions pertaining to social inclusion equality and cultural diversity all central to the game s philosophy and overall popularity Assessing the nature and causes of discrimination in football is key to identifying the much needed remedies but also because discrimination poses a serious challenge to long established practices deeply rooted in democracy Discrimination in Football provides a comprehensive and in depth investigation into these key issues affecting football today This new book will appeal to academics and students with an interest in social science law sport and humanities as well as football fans and professionals in the football industry
