The Chan Master Sheng Yen, 2007-06-01 The Words of My Perfect Teacher Patrul Rinpoche, 1998 Patrul Rinpoche makes the technicalities of his subject accessible through a wealth of stories quotations and references to everyday life His style of mixing broad colloquialisms stringent irony and poetry has all the life and atmosphere of an oral teaching Great care has been taken by the translators to render the precise meaning of the text in English while still reflecting the vigor and insight of the original Tibetan **Concordance to the Complete Works** Sangharakshita, 2024-11-26 With elements of index dictionary encyclopaedia concordance and collection of quotations this volume has been designed to act as a comprehensive and accessible guide to the whole of Sangharakshita's Complete Works

The Sublime Continuum and Its Explanatory Commentary, 2023-06-06 Explore an in depth explanation of buddha nature and self emptiness The original Sublime Continuum Explanatory Commentary was written by Noble Asanga to explain the verses received from the bodhisattva Maitreya in the late fourth century CE in northern India Here it is introduced and presented in an original translation from Sanskrit and Tibetan with the translation of an extensive Tibetan Supercommentary by Gyaltap Darma Rinchen 1364 1432 whose work closely followed the view of his teacher Tsong Khapa 1357 1419 Contemporary scholars have widely misunderstood the Buddhist Centrist Madhyamaka teaching of emptiness or selflessness as either a form of nihilism or a radical skepticism Yet Buddhist philosophers from Nagarjuna on have shown that the negation of intrinsic reality when accurately understood affirms the supreme value of relative realities Gyaltap Darma Rinchen in his Supercommentary elucidates a highly positive theory of the buddha nature showing how the wisdom of emptiness empowers the compassionate life of the enlightened as it is touched by its oneness with the truth body of all buddhas With his clear study of Gyaltap's insight and his original English translation Bo Jiang completes his historic project of studying and presenting these works from Sanskrit and Tibetan in both Chinese and now English translations in linked publications

unruly disciple to stay on the path to Enlightenment In the story that begins this volume matters come to a head when Milarepa burns the books that Rechungpa went all the way to India to acquire but by the end of the volume Rechungpa is able to set out on his own mission to teach the Dharma Much happens in between Sangharakshita's commentary based on seminars given in the late 1970s and early 1980s draws from the stories of Milarepa and his wayward disciple much valuable advice for any would be spiritual practitioner
