**Joe Kovacs**

### Three Nights:

*Three Nights in Perthshire* Thomas Atkinson, 1887      *The Michigan Alumnus*, 1988 In v 1 8 the final number consists of the Commencement annual      *Disorganized Christianity* Keith H. McIntosh, 2023-06-30 Some simple and exact beliefs organized religion has about an apple a whale three wise men at Jesus's birth why Noah was the best man God could have chosen to repopulate the earth after the global flood the treatment of women slaves Blacks and homosexuals along with many other false dogmas will be exposed in this book *Disorganized Christianity* will also address some lesser known events like angels having sex with Eve's daughters what the origin of the Antichrist's number 666 could be that Eve NEVER sinned in the Garden of Eden and the Biblical fact that Jesus CANNOT BE the Messiah I had a falling out with my local church pastor One week I was singing Amazing Grace and the next week I wasn't even allowed in HIS building I decided very quickly to reread the Bible with a different set of eyes and a different heart and determine for myself if organized religion was correct in its damnation of my soul Organized religion was not even close to being able to defend its damning position against me I taught them scriptures and in the process recaptured my soul I created a little study guide for others to fend off the relentless attacks on their souls by mean spirited and intolerant Christians The study guide grew into this book *Disorganized Christianity* We converted non Christians now see the real darkness of organized religion's dogma and we are no longer bound by its condemnation      *Shocked by the Bible* Joe Kovacs, 2008-09-28 *Shocked by the Bible* sets the record straight with well researched controversial myth breaking assertions about what the Bible really does and doesn't say And guess on which day the Bible says Jesus died Believe it or not the Good Book doesn't mention Friday and even more surprisingly while the Bible says Jesus rose from the grave it does not say it occurred Sunday morning Remember Jesus followers found an empty tomb then But don't feel bad if you've always assumed otherwise Like countless millions of people you've just been misinformed misled or even dare we say lied to about what the Bible actually says In a stunning investigation news veteran Joe Kovacs goes on a mission to help both Christians and non Christians alike find out what the Bible really contains and what it doesn't *Shocked by the Bible The Most Astonishing Facts You've Never Been Told* is an educational juggernaut that relies solely on the Holy Bible to reveal hundreds of Scriptural facts that many people of all persuasions simply don't know The book instantly skyrocketed to the No 1 position in three Bible related categories on Amazon.com I'm among the biggest fans of the Bible of all time says Kovacs My goal is to educate people about the solid truth of Scripture and to stop the spread of erroneous information I want people to crack open their Bibles and see with their own eyes what's actually printed on the pages and what's not It's shocking According to Scripture you won't find Three Wise Men mentioned anywhere in the story of Jesus birth For that matter none are said to have shown up at the manger in Bethlehem The truth straight from your own Bible is that an unspecified number of wise men first met Jesus as a young child in a house not a babe in a manger and it might have been more than a year after He was born Go ahead look it up for yourself Also according to Scripture you won't

find a single mention of Easter eggs but you will find God warning His people not to have anything to do with a pagan fertility goddess whose name is synonymous with Easter Yes I m a Bible believing Christian says Kovacs But I m not here to convert anyone People are free to believe whatever they wish and can come to their own conclusions I just want to show them the biblical record is often very different from what many assume Not only will Christians love this book but I think Jews Muslims and even agnostics and atheists will get a kick out of it as well
