The Single-Season Home Run Kings William F. McNeil,2015-10-03 After Babe Ruth erased Buck Freeman s record in 1919 the new mark stood for 34 years before Maris bettered it defying as he did an incredulous sporting public And just as fans anger grew old and Maris was grudgingly credited or discredited with an unrepeatable hot streak along came Mark McGwire and Sammy Sosa two goliaths who in 1998 and the years just after proved fans wrong again But when in 2001 only three years after McGwire seemed to put the record beyond reach Barry Bonds topped him by three This time fans were staunch in their disbelief and while many celebrated Bonds achievement others questioned its significance This revised edition of Bill McNeil s Ruth Maris McGwire and Sosa libraries especially will want this Library Journal reviews the careers of each home run titan with special attention to the record breaking seasons The cultural and social changes that may have affected both the players season totals and fan reception are also considered

strength and determination inside you to embark on the spectacular journey that is the marathon [The Year after the Tears of Joy: recap of the 2016 baseball season](#) Corné Hogeveen, Gem Oguz, 2017-03-31 Mets book about the 2016 Mets season It will give the fans a chance to recap the 2016 baseball season Every game the Mets played will be part of the book Written by a Dutch fan and a fan out of Las Vegas **Baltimore Orioles IQ** Tucker Elliot, 2013-11-15 For half a century the St Louis Browns were nothing short of spectacular when it came to futility Whatever promise or hope or grandeur dreams held by the franchise and its fans after a second place finish in its inaugural season in St Louis was quickly replaced by this abysmal reality the Browns were dead last in the eight team American League ten times in 52 seasons Then in 1954 the club began play in Baltimore and its new owners shed the Browns and every imaginable link to the club's past It's not that the Orioles don't respect history it's that from the very beginning Baltimore was intent on making its own history And to that end the franchise has been extraordinarily successful In St Louis the Browns had more 100 loss seasons than any team in baseball history in Baltimore it barely took Earl Weaver a decade to manage the Orioles to five 100 win seasons In St Louis the Browns backed into one Pennant in five decades In Baltimore the Orioles built a powerhouse that dominated the better part of two decades and won six Pennants There have been ups and downs obviously like every franchise and plenty of lean years to go with the championships but with its successes and the many legends it's produced since 1954 the Orioles have achieved the same status if you will as its division rivals New York and Boston as being one of baseball's truly great franchises A virtual who's who of baseball royalty spent time playing in Baltimore from Brooks Robinson Frank Robinson and Jim Palmer to Cal Ripken Jr and Eddie Murray to today's superstars Chris Davis and Manny Machado You can't discuss the game's greatest moments without including the Orioles You can't tour the Hall of Fame in Cooperstown without seeing the influence of the Birds This is a book of trivia and history It's meant for diehard baseball fans but whether or not you count yourself part of Orioles fandom is irrelevant because the history of the Birds is inextricably linked with the history of baseball so sit back and reminisce with ten chapters of Baltimore Orioles history baseball stories and 200 brand new trivia questions that will wrack your brain and test your skills It's your Orioles IQ the ultimate test of true fandom **Home Run Heroes** Merrell Noden, 1998 The 1998 major league baseball season was truly one for the ages complete with record breaking individual and team performances In HOME RUN HEROES the writers of SPORTS ILLUSTRATED chronicle Mark McGwire and Sammy Sosa's epic march to and beyond Babe Ruth's 60 and Roger Maris's 61 home runs depicting the drama of the race that captivated fans the world over HOME RUN HEROES relives every thrilling moment in perhaps the greatest home run dual of all time between Sammy Sosa and Mark McGwire McGwire set the pace as he broke Maris's record with his shortest home run of the year missing first base during his home run trot and finally reaching home plate whereupon he joyfully lifted his baby son into the air Sammy Sosa then ran from rightfield to congratulate his friend and competitor Sosa then made a little history of his own when a few nights later at Wrigley Field against the Milwaukee Brewers he dropped

Maris and Ruth to numbers three and four on the all time single season home run list It was a close thing but Sosa finished the season with 66 home runs McGwire finished with 70

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light,2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs
