Studying Warno More:

The Golden Book of Favorite Songs -- ,1923 **Sainthood and Race** Molly H. Bassett,Vincent W. Lloyd,2014-09-04 In popular imagination saints exhibit the best characteristics of humanity universally recognizable but condensed and embodied in an individual Recent scholarship has asked an array of questions concerning the historical and social contexts of sainthood and opened new approaches to its study What happens when the category of sainthood is interrogated and inflected by the problematic category of race Sainthood and Race Marked Flesh Holy Flesh explores this complicated relationship by examining two distinct characteristics of the saint s body the historicized marked flesh and the universal holy flesh The essays in this volume comment on this tension between particularity and universality by combining both theoretical and ethnographic studies of saints and race across a wide range of subjects within the humanities Additionally the book s group of emerging and established religion scholars enhances this discussion of sainthood and race by integrating topics such as gender community and colonialism across a variety of historical geographical and religious contexts This volume raises provocative questions for scholars and students interested in the intersection of religion and race today *The Jazz Scene* Eric Hobsbawm,2014-11-20 From 1955 65 the historian Eric Hobsbawm took the pseudonym Francis Newton and wrote a monthly column for the New Statesman on jazz music he had loved ever since discovering it as a boy in 1933 the year Adolf Hitler took power in Germany Hobsbawm s column led to his writing a critical history *The Jazz Scene* 1959 This enhanced edition from 1993 adds later writings by Hobsbawm in which he meditates further on why jazz is not only a marvellous noise but a central concern for anyone concerned with twentieth century society and the twentieth century arts All the greats are covered in passing Louis Armstrong Billie Holiday while further space is given to Duke Ellington Ray Charles Thelonious Monk Mahalia Jackson and Sidney Bechet Perhaps Hobsbawm s tastiest comments are about the business side and work ethics where his historian s eye strips the jazz scene down to its commercial spine Kirkus Reviews Christian Work ,1897
