String of Pearls Rudra Iyer, 2025-07-26 Eighteen Stories One City A Thousand Lives String of Pearls is a luminous collection of stories set in the heart of Hyderabad Where ancient minarets cast long shadows over modern dreams and everyday people carry extraordinary worlds within them From the mysterious mango seller of Malleshwaram to a retired don who becomes a gardener in Begum Bazaar from a girl discovering forgotten bangles in Lad Bazaar to an old schoolmaster who eats biryani for love These stories shimmer with wit warmth and wonder Woven together with rich local flavour and a quiet reverence for life String of Pearls captures the rhythm of a city that dances between past and present heartbreak and humour noise and stillness For lovers of soulful storytelling and seekers of cities with heart Welcome to Hyderabad

Louis Pasteur René Vallery-Radot, 1885 In the early part of the present year the French original of this work was sent to me from Paris by its author It was accompanied by a letter from M Pasteur expressing his desire to have the work translated and published in English The translator's task was not always an easy one but it has I think been well executed A few slight abbreviations for which I am responsible have been introduced but in no case do they affect the sense It was moreover found difficult to render into suitable English the title of the original M Pasteur Histoire d'un Savant par un Ignorant A less piquant and antithetical English title was therefore substituted for the French one This filial tribute for such it is was written under the immediate supervision of M Pasteur by his devoted and admiring son in law M Valery Radot It is the record of a life of extraordinary scientific ardour and success the picture of a mind on which facts fall like germs upon a nutritive soil and like germs so favoured undergo rapid increase and multiplication
